

2019 DRAFT WORK PLAN

QUARTER 1 - APRIL

- Task Force expectation setting
- Who else should join us?
- Discuss history of our approach to safety and the Vision Zero framework
- Establish a draft vision for this group
- Respond to 2019 Work Plan

QUARTER 3 - SEPTEMBER

- Safety as a federal performance measure
- Distinguish vision versus target
- Review 2018 safety targets
- Discuss regional targets
- How should we structure regional conversations on targets and funding?

QUARTER 2 - JUNE

- Getting to Zero: safety data challenges and opportunities
- How can ARC best support and share safety findings?
- What information or technical assistance are helpful for communities?
- Approve RSTF Vision statement

QUARTER 4 - DECEMBER

- Funding opportunities and eligibilities
- What funding pots can be flexed?
- Formally commit to regional safety targets; present to TCC and TAQC
- Funding process at ARC, GDOT, the ATL
 - Does our process match our vision and commitment?
- Prioritizing funding for safety projects
