1. **Welcome; June 4, 2021 Meeting Summary Review & Public Comment¹** *John Orr, ARC*

2. **Demand Response Implementation Plan (ACTION ITEM)** *Sidney Douse, ARC*

ARC and regional partners have worked to develop a menu of local and regional tactics that will work in a coordinated manner to improve mobility in the Atlanta region. ARC staff will highlight the main recommendations from the study, which focus on complementary paratransit (ADA) and county-run demand response transportation. A first read was held on the action item at the May TCC, TAQC and ARC Board meetings.

3. **Regional Transit Safety Performance Measures & Targets (ACTION ITEM)** *Sidney Douse, ARC*

As part of the federal transportation planning requirements, transit operators and MPOs such as ARC are required to develop transit safety targets. Examples of these targets include the number of reportable injuries and the rate per total vehicle revenue miles, and also, mechanical failures. ARC staff has worked with regional transit operators and will present information on the draft targets. A first read was held on the action item at the May TCC, TAQC and ARC Board meetings.

4. **Discussion on Project Evaluation Procedures** *Tejas Kotak, ARC*

This item will continue the discussions from the June TCC meeting and will include a focused discussion on weights for evaluation metrics.

5. **FAST Act Transportation Reauthorization Update** *Staff*

Major discussions are occurring in the U.S. House and Senate regarding reauthorizing the FAST Act. Staff will provide an update on these discussions.
