Preliminary Highlights of the Draft 2022 Unified Planning Work Program and 5303 Grant Application

TAQC

October 13, 2021

2022 Focus Areas Include Responding to COVID; Kicking Off Next Regional Plan Update

- Atlanta Region's Plan Update Completed (February 2020)
  (note: updating financial assumptions each TIP Amendment)

- Planning Emphasis Areas in 2022 (examples):
  - Regional Transportation Plan (equity, climate)
  - Safety
  - Transportation Demand Management (TDM) Planning
  - Freight and Goods Movement
  - Advancing Transportation Technology
    - Regional Electrification Plan

Studies and Initiatives Requiring Consultant Assistance

FHWA and FTA Planning Funds

- Project Database Modernization (PLANIT)
- ConnectATL Technology Summit

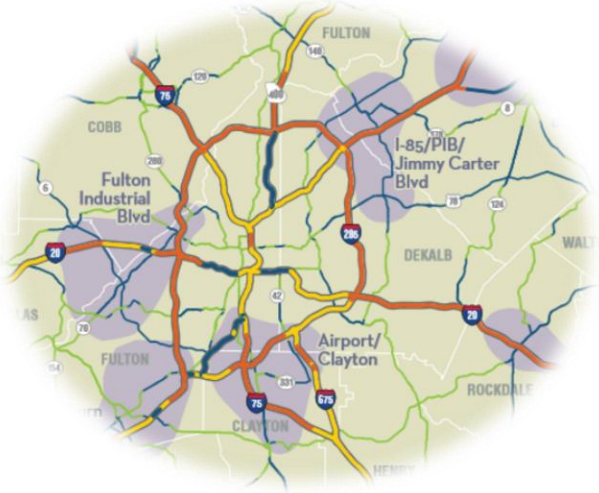

Studies Requiring Consultant Assistance *Surface Transportation Block Grant Funds*

- TDM Plan
- Regional Safety Study
- Freight and Goods Movement Plan Update
- Household Travel Survey
- Human Services Transportation (HST) Plan Update
- Regional Electrification Plan

On-Going ARC Community Support Programs

- Livable Centers Initiative (LCI) Study Program
- County Transportation Plan (CTP) Program
- Freight Cluster Area Planning Program

Livable Centers Initiative

Other State and Local Planning Initiatives (note: working on details now)

- UPWP must include all federally funded transportation planning activities (not PE, ROW or CST phases)
  - Previously funded, but work continuing into 2022
  - Programmed new activities for 2022
  - Other proposed initiatives for 2022

- UPWP may also include locally and state funded planning activities
  - Best practice, but not required
