**ISSUE SUMMARY: 2023 UNIFIED PLANNING WORK PROGRAM
AND APPLICATION FOR 5303 FUNDS**

FROM: Mike Mason, TAQC Chairman

IMPORTANCE:

Federal regulations require ARC, as a Metropolitan Planning Organization, to develop a Unified Planning Work Program (UPWP) that discusses the planning priorities facing the metropolitan planning area and describes all metropolitan transportation and transportation-related air quality planning activities anticipated within the area regardless of funding sources or agencies conducting activities. The UPWP must be developed cooperatively with the State, public transit operators and other planning partners.

The 2023 UPWP is structured as follows:

- Detailed description of the Atlanta metropolitan transportation planning process
- Appendices 1 – Transportation Planning Department Work Program (from the ARC annual work program, “Strategy 2023,” that describe ARC’s transportation-related work activities for 2023 and which is also targeted for ARC adoption on December 14, 2022)
- Appendix 2 – Other Supporting ARC Work Activities (also from “Strategy 2023”)
- Appendix 3 – Cost Center and Budget Details
- Appendix 4 – ARC Adoption Resolution and FHWA Approval Letter
- Appendix 5 – Other Atlanta Region Transportation Planning Activities and Studies

The draft 2022 UPWP was provided to planning partners and the public for review from November 2, 2022 to December 2, 2022. Relevant and appropriate comments received were incorporated into the final document prior to approval.

Per the GDOT grant administrative procedures, this resolution also authorizes ARC to submit an application for Section 5303 metropolitan planning funds appropriated to the MPO.

ACTION REQUIRED: Adoption of the 2023 UPWP and authorization of the submittal 5303 application is recommended.
