RECONNECTING THE REGION

Bridging Divides. Fostering Thriving Communities.

Reconnecting the Region

David Haynes, IIJA Planning Manager

Atlanta Regional Commission

ONE **great** REGION

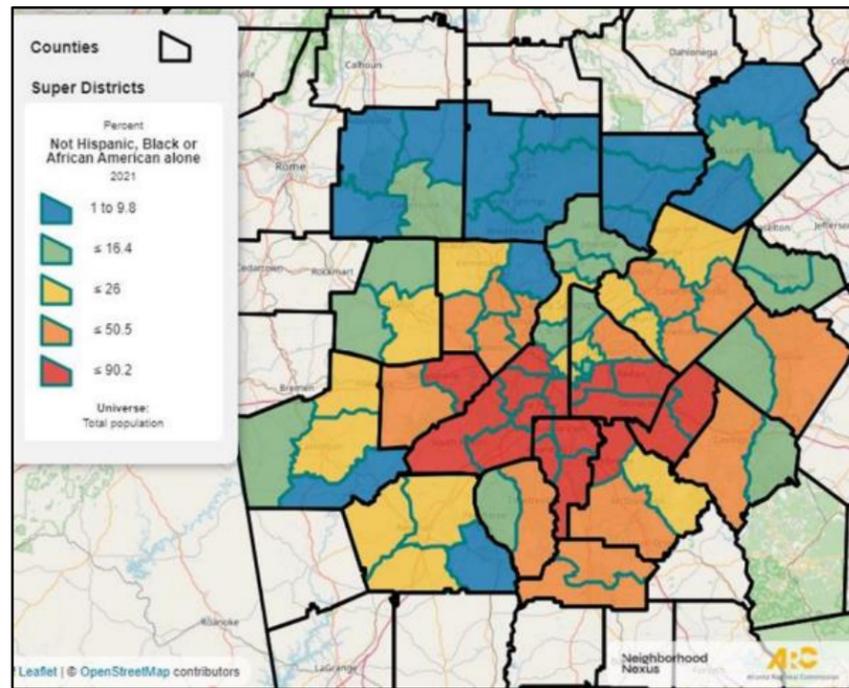

The Challenge: Divided by Infrastructure

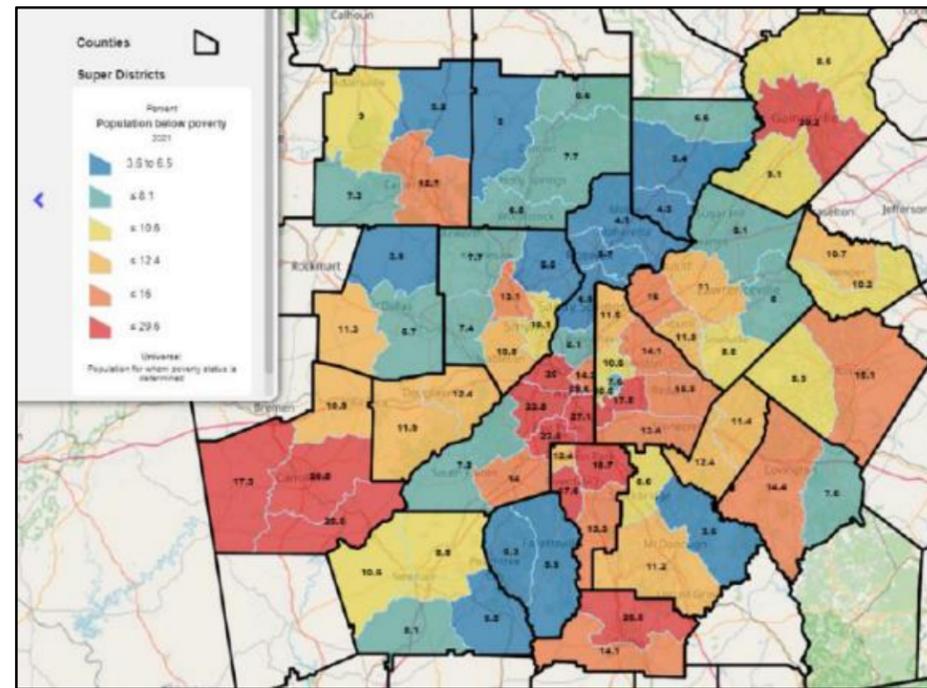

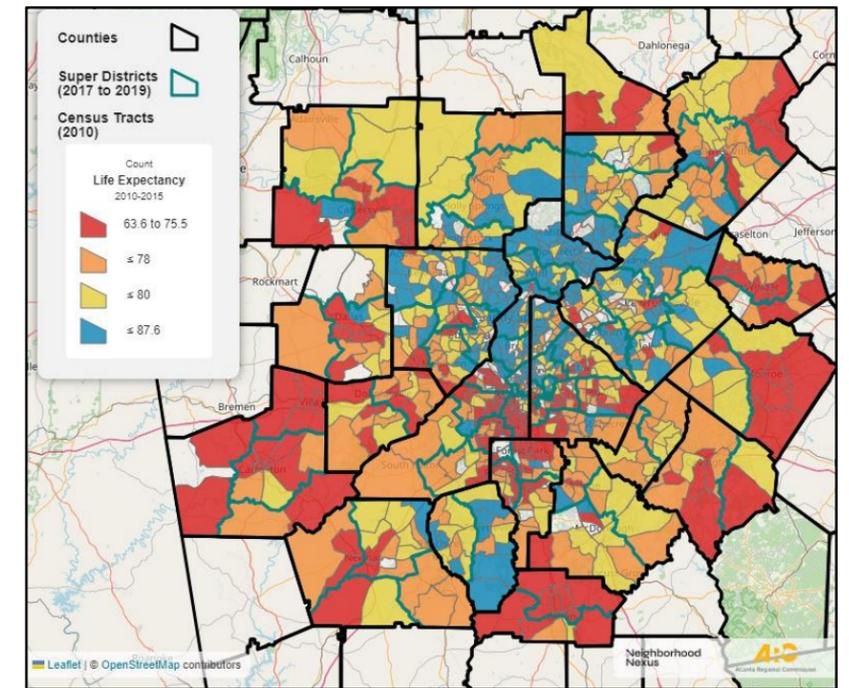

A Racial Divide... ...That Has Contributed to Great Disparities

Poverty Rate

Life Expectancy

Reds represent higher values in all maps

The Opportunity: Tapping New Funding Sources

14 key transportation
grant applications

11.4 billion
/year through 2026

US DOT prioritizes projects that:

- Are **multi-jurisdictional** or regional in scope.
- **Reconnect communities** divided by infrastructure.
- **Improve access** to jobs, education, healthcare, food, green space, and recreation.
- Foster **equitable development** and restoration.

Bridging Divides. Fostering Thriving Communities.

The Reconnecting the Region initiative aims to **build authentic connections** between communities and create an **inclusive, prosperous future** for the metro Atlanta region through strategic storytelling, nurturing a **strong sense of community** and providing **opportunities for efficient travel** within the metro Atlanta region.

RtR: More Than Just Transportation

ARC is uniquely positioned to advance a wide array of multi-disciplined projects, programs and initiatives that can be championed and supported by its various divisions.

- Aging and Independence Services
- Community Development
- Homeland Security and Recovery
- Mobility Services
- Natural Resources
- Research and Analytics
- Transportation Planning
- Workforce Solutions

Mission

Foster thriving communities for all within the Atlanta region through collaborative, data-informed planning and investments

Goals

Healthy, safe, livable communities in the Atlanta Metro area.

Strategic investments in people, infrastructure, mobility, and preserving natural resources.

Regional services delivered with **operational excellence** and **efficiency**.

Diverse stakeholders engage and take a regional approach to solve local issues.

A competitive economy that is inclusive, innovative, and resilient.

2

Staff-Identified Transportation Projects

Transit

- Light rail, BRT and ART services
- MARTA infill rail stations
- Local transit service expansions and hubs
- Fare collection system upgrades

Bicycle / Pedestrian

- Trail/path connections between communities
- Local bike-ped networks, with emphasis on connections to transit services, job centers, health care, retail, and government services
- Coordinated micromobility services

Safety

- Comprehensive multimodal safety investments

Freight

- Regional rail safety and efficiency improvements
- Regional truck parking strategy

Other

- Airport access and circulation
- Additional phases of current partially funded projects

2 Other Staff-Identified Opportunities

- Electrical grid capacity and resilience
- Clean energy production, storage and distribution
- Water and stormwater infrastructure
- Transit oriented development
- Affordable housing
- Workforce training
- Climate change adaptation
- Broadband access

1 What's missing?

Prioritization Considerations

- **Strategic alignment:** Does the need and purpose of the project/program align well with the Reconnecting the Region concept?
- **Programmatic alignment:** Which funding program(s) does the project scope most closely align with?
- **Project ‘ownership’:** Is there an agency willing and able to serve as the lead applicant (jurisdictional authority, match and technical capacity, ability to negotiate subgrant agreements, etc.)?
- **Readiness:** Is the project/program ready to advance into implementation?

Projects must expand and/or improve access between disadvantaged communities and the rest of the region, through large-scale multijurisdictional investments OR smaller-scale “first/last mile” connections and complementary services and programs

Regional Congress Spring/Summer 2025

Cheryl Mayerik, Deputy Chief External Affairs Officer

Atlanta Regional Commission

ONE **great** REGION

Regional Congress: The Need

- **Convene** with local leaders so that they may understand our vision of **One Great Region** and how they might help advance the vision
- **Collaborate** with local officials to identify a shared understanding of the **most pressing issues they are facing** at the local level and share ideas for where we might work together
- **Create synergy and support** for identified policy issues that will support regional issues

Regional Congress: Similar Conferences

Regional Congress: Proposed Framework

- Biennial meeting of the mayors, council members and county commissioners from the 11-county Atlanta region.
- Full day event; estimating 350 attendees
- Focus areas will shift from year to year with the foundation being to ensure the ongoing economic competitiveness of the region
- Networking
- Hands-on sharing of tools and resources
- Meaningful engagement led by trained facilitators

Regional Congress: Potential Topics Exercise

Question 1: *What should non-ARC Board local elected officials know about ARC, regional issues, and priorities?*

Question 2: *Which topics should be prioritized?*

Question 3: *What mechanisms might you employ or have available to engage elected officials in your community?*

2024 Bylaws Update

Subcommittee

Membership

- Robb Pitts (Chair)
- Michelle Cooper-Kelly (Vice Chair)
- Michael Caldwell
- Patty Garrett
- Edward Johnson

Structure

- Established subcommittee of Governance Committee
- Subject to same meeting requirements and outcomes of Governance

Meeting requirements

- In person
- Agenda
- Meeting Summary
- Minutes

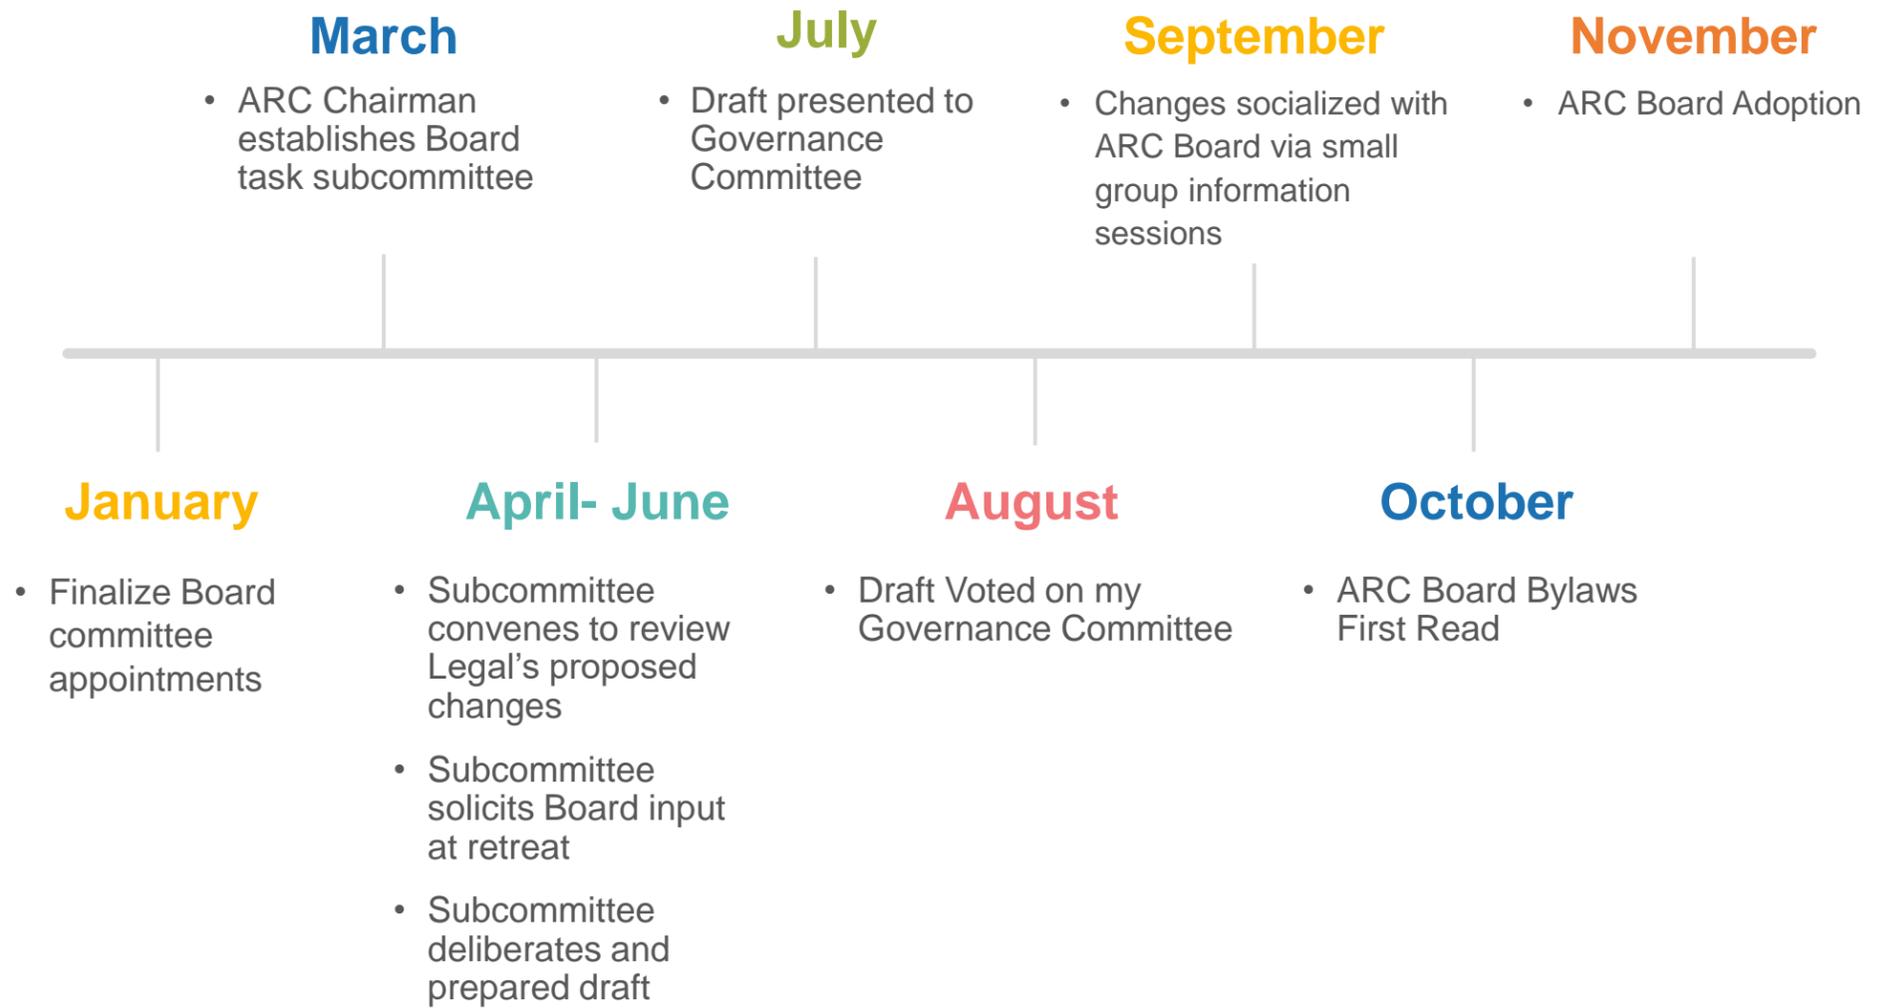

Bylaws Review Timeline

Proposed Process

- General Counsel and Executive Director/CEO to make recommendations to Subcommittee
- Subcommittee to review and deliberate before presenting a draft to Governance Committee
- Socialize proposed changes with the Board via small groups (5 or less) virtual options.
- Changes to be effective January 1, 2025

Proposed Timeline

Bylaws Review Substance

Purpose

- Last update in 2020, Bylaws are already in need of immediate updating
- A change to the ARC Bylaws requires
 - Board engagement and input
 - At least 2 board meetings (first read, then approval)

Immediate Opportunity Areas

 **Strategy**

Current Bylaws do not reflect the newly adopted **strategy framework** of the board

 **Process**

Current Bylaws require clarity and transparency on the **process for citizen member elections**, elections of mayoral representatives, and appointment of the DCA representative

 **Balance**

Current Bylaws should be reevaluated to ensure **fiduciary governments** who have fiscal agency and responsibility under the law for ARC have adequate oversight roles

 **Errors**

Current Bylaws have **administrative errors** and/or conflicting terms that require correction

 **Change**

Board should deliberate/determine any other **innovative updates** (such as whether to: consolidate governance to required committees; provide more direction on Board action transparency and record keeping)

State & Federal Legislative Affairs Update

John Bayalis, Intergovernmental Affairs Manager

Atlanta Regional Commission

ONE **great** REGION

2024 State Legislative Session

- 40 legislative days running from 1/8 – 3/28
- Crossover Day – 2/29
- Sine Die – 3/28
- No major changes in Committees or Leadership

Regional Commissions

- **HB 1253:** Regional Commission Board composition; applied only to 11 other counterpart agencies; eventually amended with Regional Commission language taken out – **PASSED**
- **SB 341:** Annual code revision bill; removed extraneous and now-defunct language pertaining to Regional Commissions – **PASSED**

Budget

- **HB 916: State FY 25 Budget – PASSED**
 - State contracts under DCA Coordinated Planning line item renewed at FY 24 levels
 - Water District funding renewed at FY 24 levels
 - Aging & Independence Services will receive about 30% of:
 - \$550K increase for home and community-based services (HCBS)
 - \$1M for respite care for older adults
 - \$2M in new funding for “transportation planning” by Georgia MPOs
 - GRTA funding reduced by \$4M for FY 25

Aging & Independence Services

- **HB 1078:** Creates the “Georgia Program for All-Inclusive Care” (PACE) – **PASSED**
- **HB 1123:** Creates new “teams” per judicial circuit to better respond to, and educate around, the issues of elder abuse, neglect and exploitation – **PASSED**
- **HB 1339:** Certificate of Need Reform – **PASSED**

Workforce Development

- **SB 26:** Provides for workforce development boards (and others) to meet virtually; also included Governor’s priority for the creation of an EV Industry Commission – **PASSED**
- **HB 982:** Requires the State Workforce Board to publish a list of “high demand careers” “most critical to the state’s current and future workforce needs” – **PASSED**

Housing

- **HB 404:** Pro-tenant housing legislation; covers “habitability” of rental properties as well as caps for security deposits and grace periods before evictions – **PASSED**
- **HB 514:** Limiting construction moratoriums – **DID NOT PASS**
- **HB 1182:** Low-income housing tax credit reduction – **DID NOT PASS**

Transportation

- **HB 516:** Included language for the placement of wayfinding kiosks along state routes in advance of the World Cup – **PASSED**
- **HB 617:** Creates financial management guidance and program delivery framework at GDOT for new freight delivery program – **PASSED**
- **HB 1358:** Proposed abolishing both GRTA and the ATL in favor of devolving bus operations to individual counties and transit decisions, ultimately, to a slightly expanded SRTA board – **DID NOT PASS**
- **HB 1443 / SB 583:** Lone MARTA bill; surveillance cameras in BRT lanes to police them for exclusivity; ran into unanticipated procedural issues – **DID NOT PASS**

Of note...

- Reviewing opportunities for ARC to position itself as subject-matter experts in the off-season
- Flurry of retirements that included:
 - Rep. Penny Houston (R-170, Nashville) – Appropriations (DCA)
 - Rep. Clay Pirkle (R-169, Ashburn) – Transportation Appropriations
 - Rep. James Beverly (D-143, Macon) – House Minority Leader
 - Sen. Gloria Butler (D-55, Stone Mountain) – Senate Minority Leader

Federal Update

- FY 24 budget passed (fully) 3/22 via two “minibus” bills
- FY 25 appropriations process is under way
 - Working with Congressional offices on both formula and earmark recommendations
- Election will dominate much of the remainder of the year and will likely bleed over into FY 25 budget development
 - Expect Continuing Resolutions (CR) come the end of September

01 Budget Structure & Revenue Sources: 2024 Overall Budget Structure

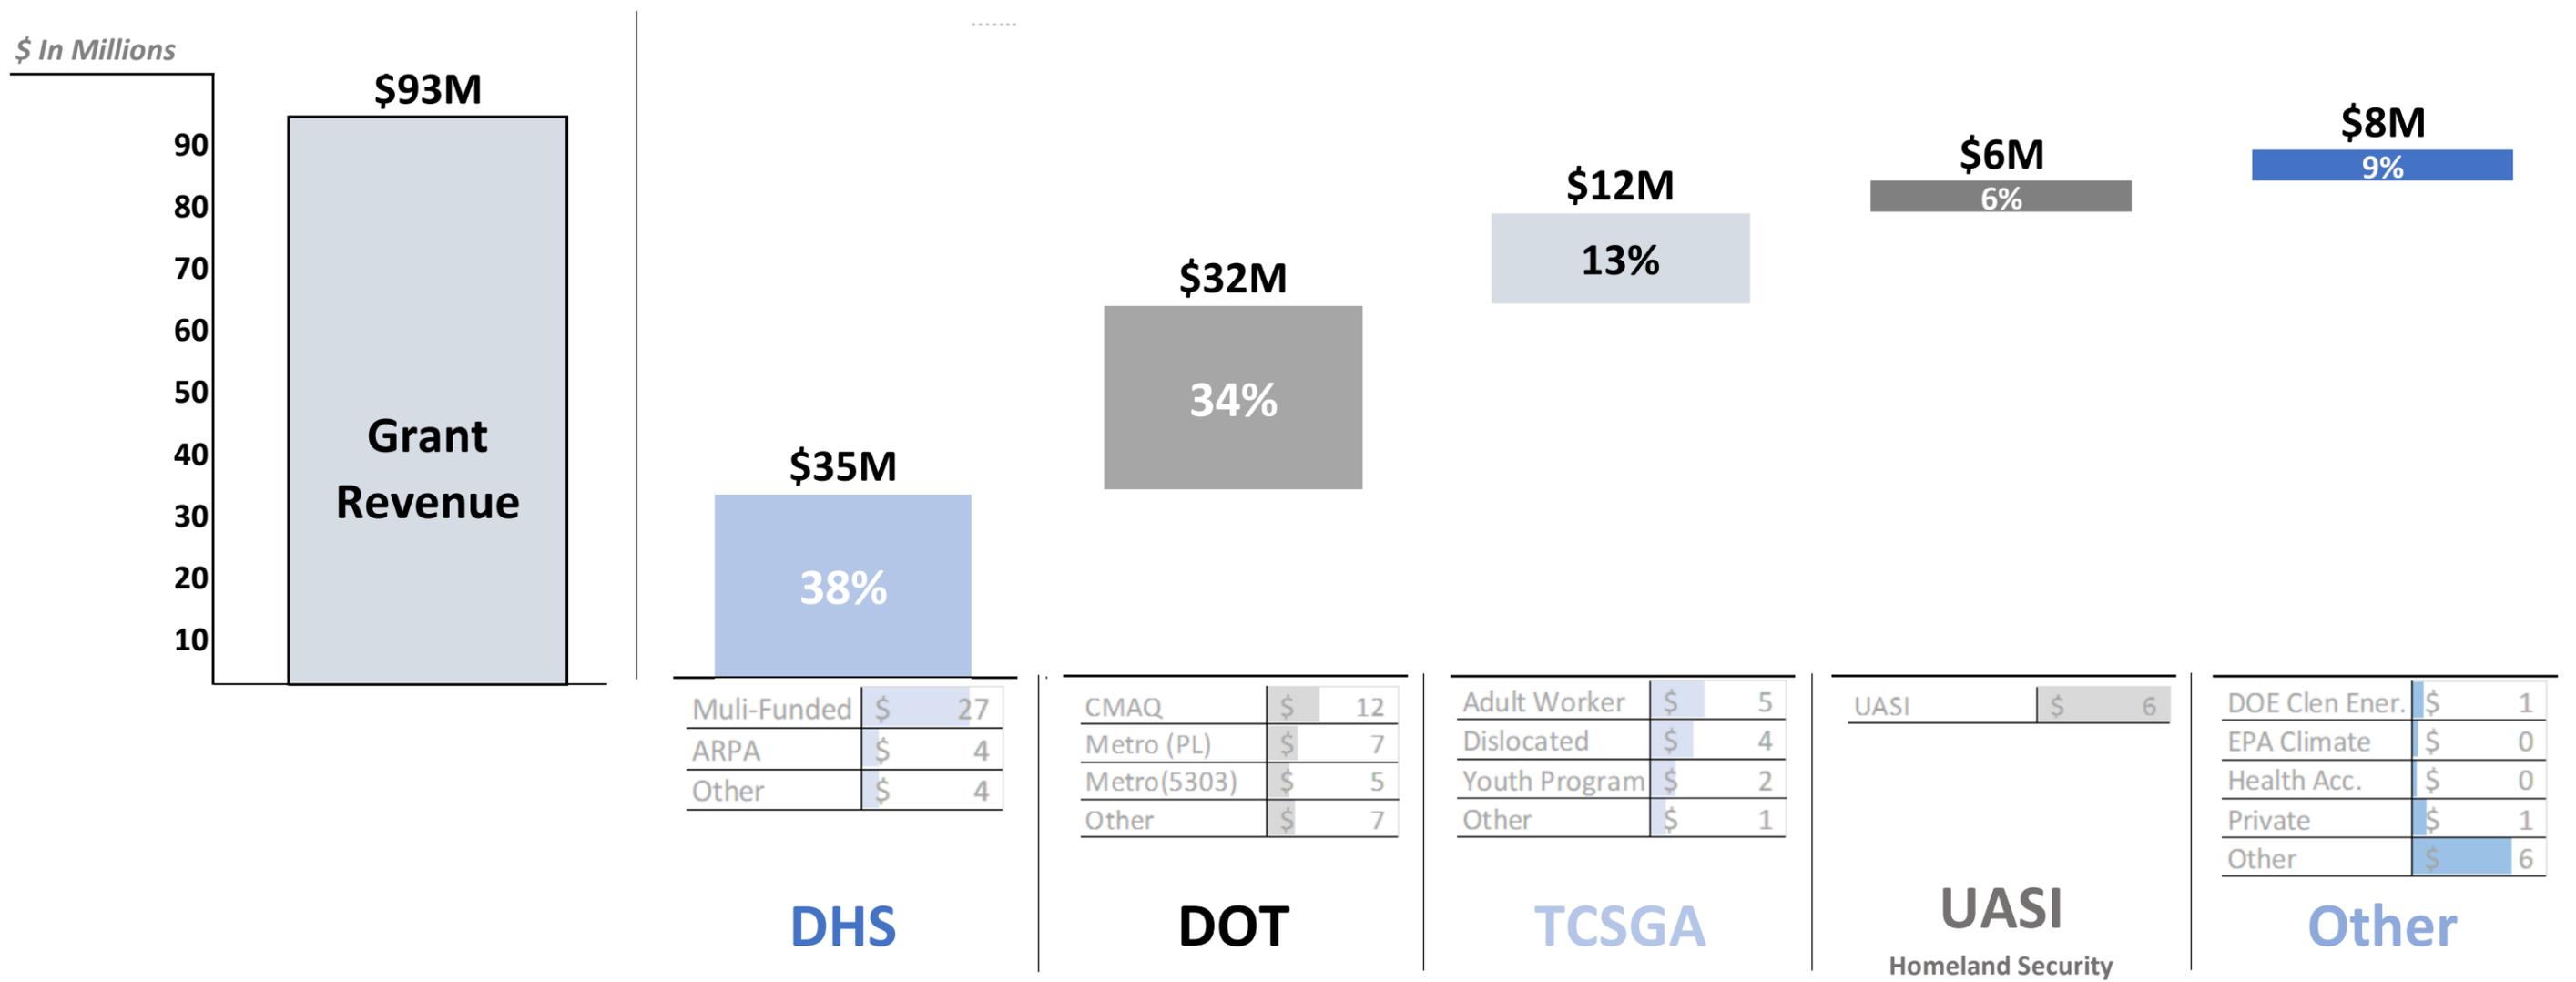

01 Budget Structure & Revenue Sources: 2024 Overall Budget Structure

01 Budget Structure & Revenue Sources: 2024 Enterprise and Other Revenue

01 Budget Structure & Revenue Sources: 2024 Jurisdictional Dues Revenue

	Jurisdiction Dues in Mills \$	
Counties	Gwinnett County	\$1.20
	Fulton County	0.98
	Cobb County	0.94
	DeKalb County	0.91
	Clayton County	0.37
	Cherokee County	0.35
	Forsyth County	0.33
	Henry County	0.31
	Douglas County	0.18
	Fayette County	0.15
Rockdale County	0.12	
City	City of Atlanta	0.38

Dues Calculation

Most Counties : \$1.20 per the estimated number of residents living in the county

DeKalb and Fulton :

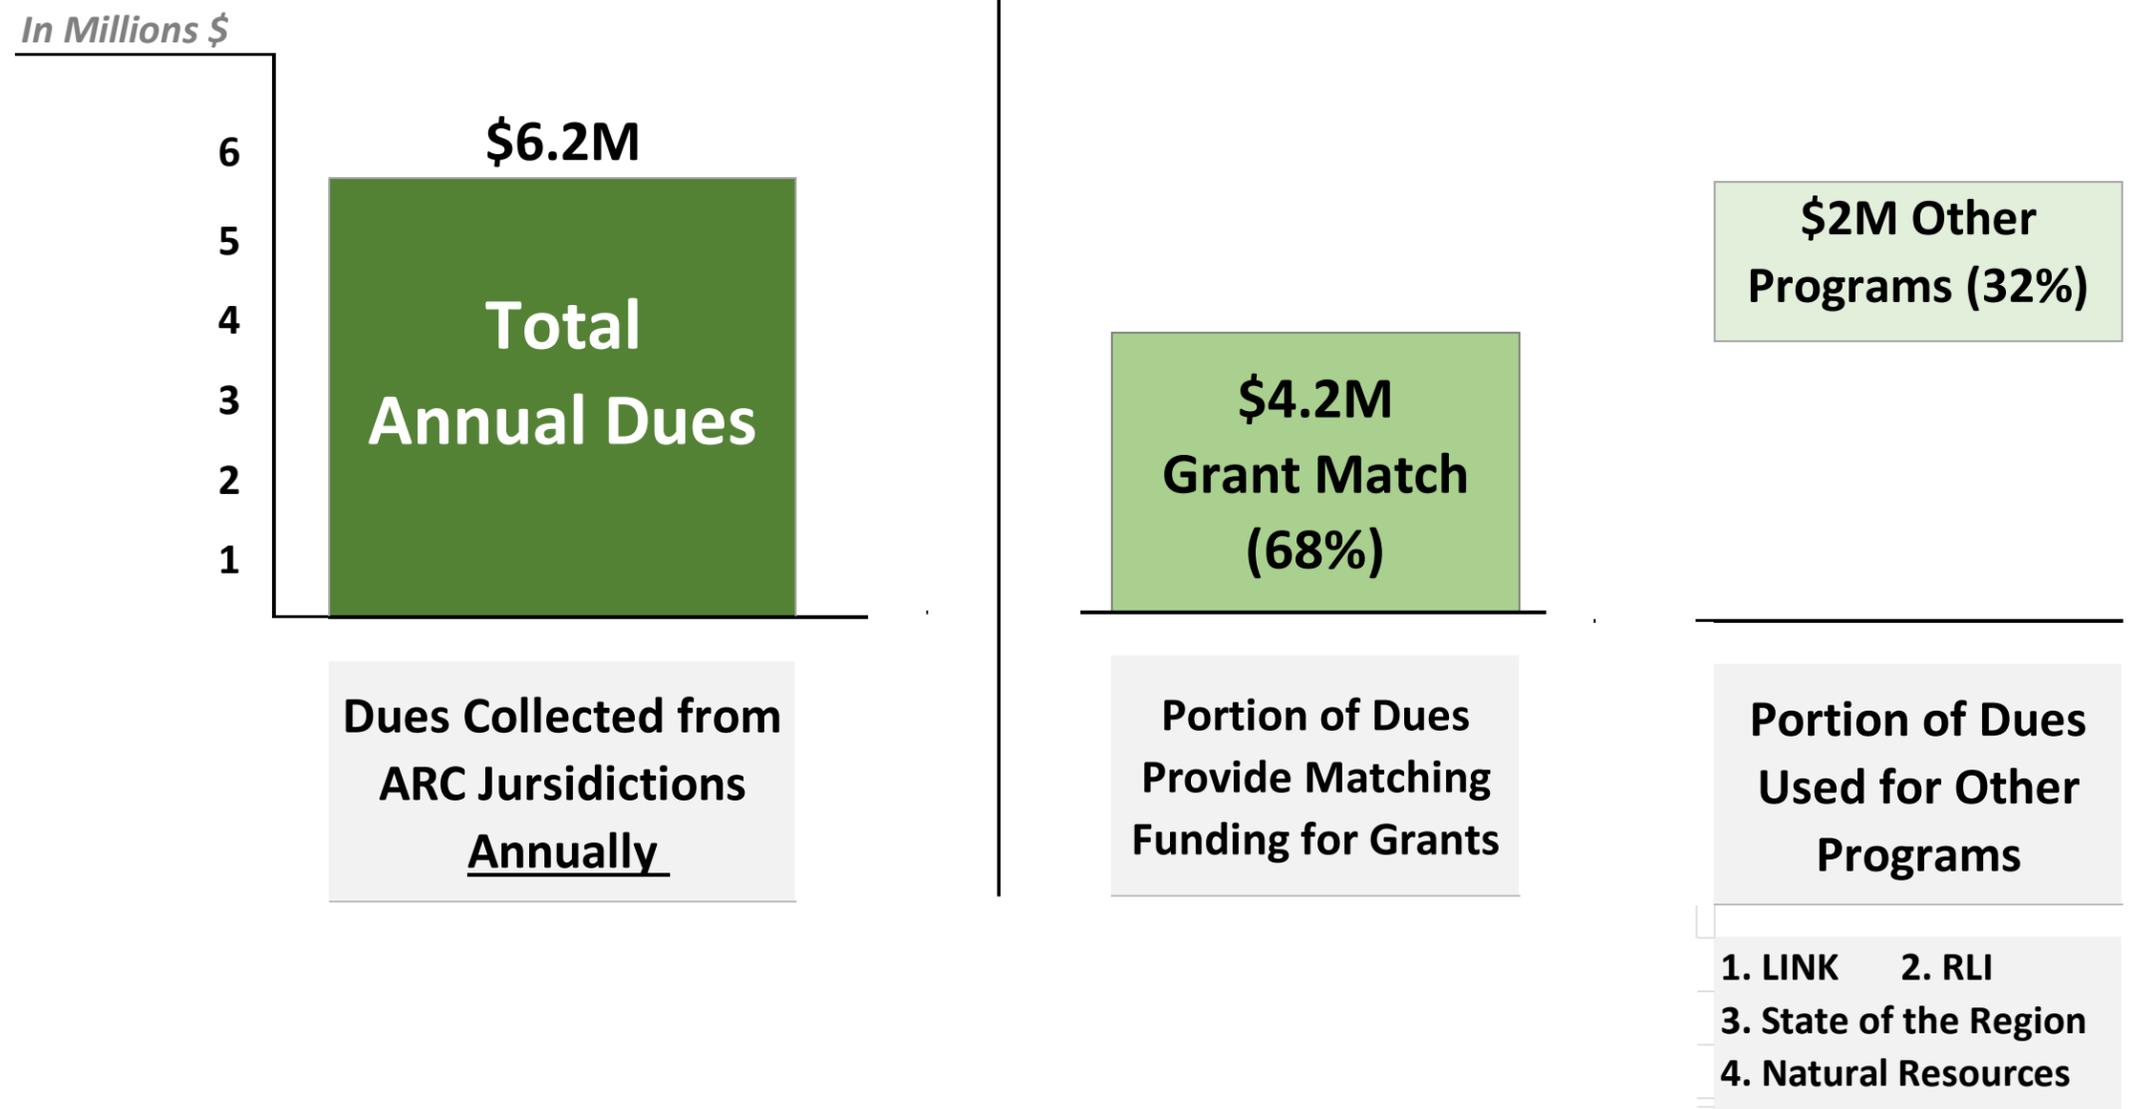

- \$1.20 per the estimated number of residents living in the county, but outside of the City of Atlanta limit.
- \$0.48 per the estimated number of residents living in the county and inside of the City of Atlanta limit.

City of Atlanta : \$0.72 per the estimated number of residents living within the City of Atlanta

01 Budget Structure & Revenue Sources: 2024 Jurisdictional Dues Revenue

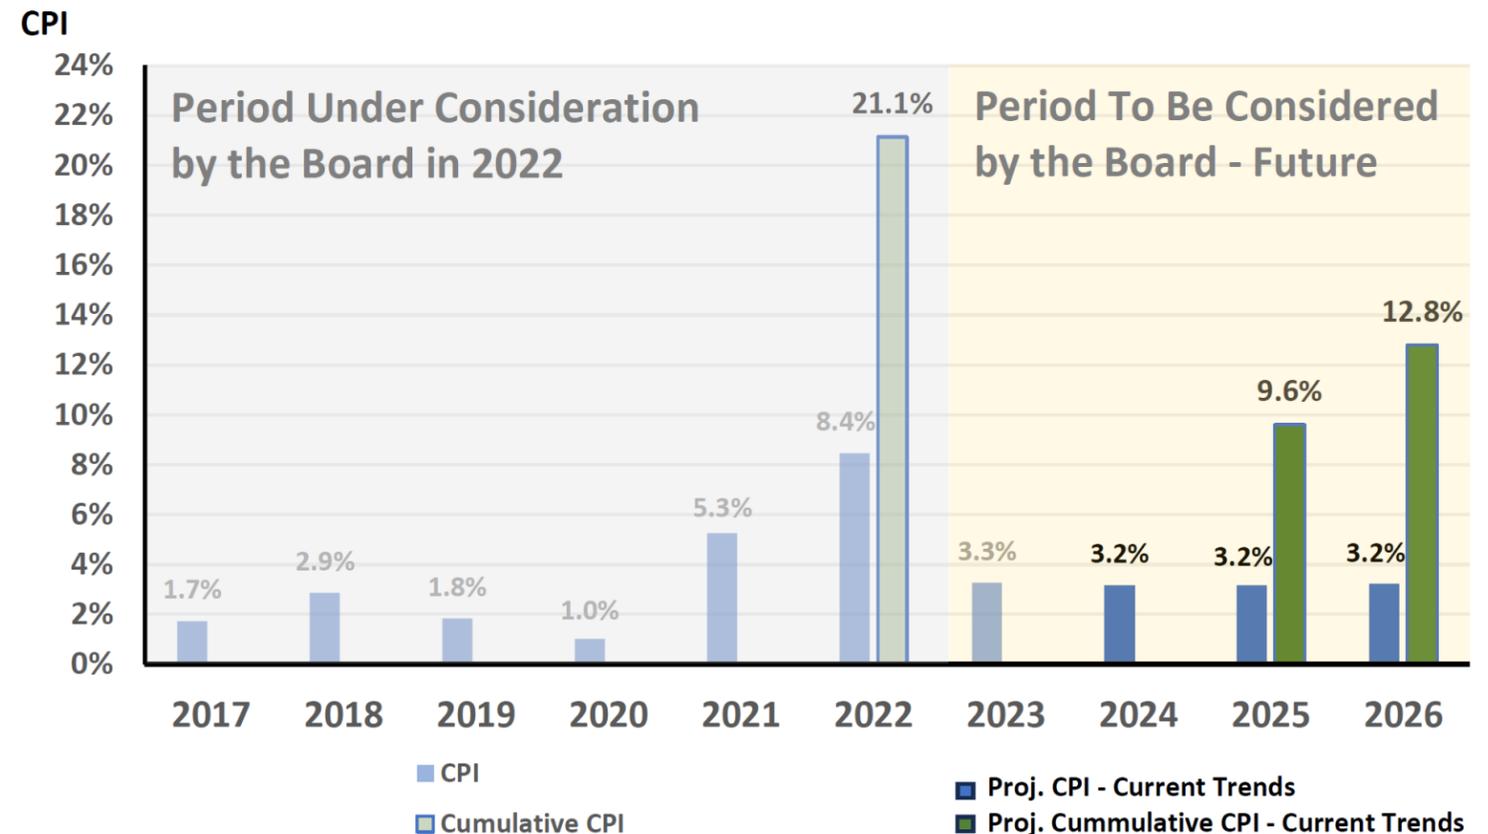

- Dues represent the foundation of the budget process.
- This revenue sources allows the agency to leverage grants and subsidize key programs.

01 Budget Structure & Revenue Sources: Future Jurisdictional Dues Revenue

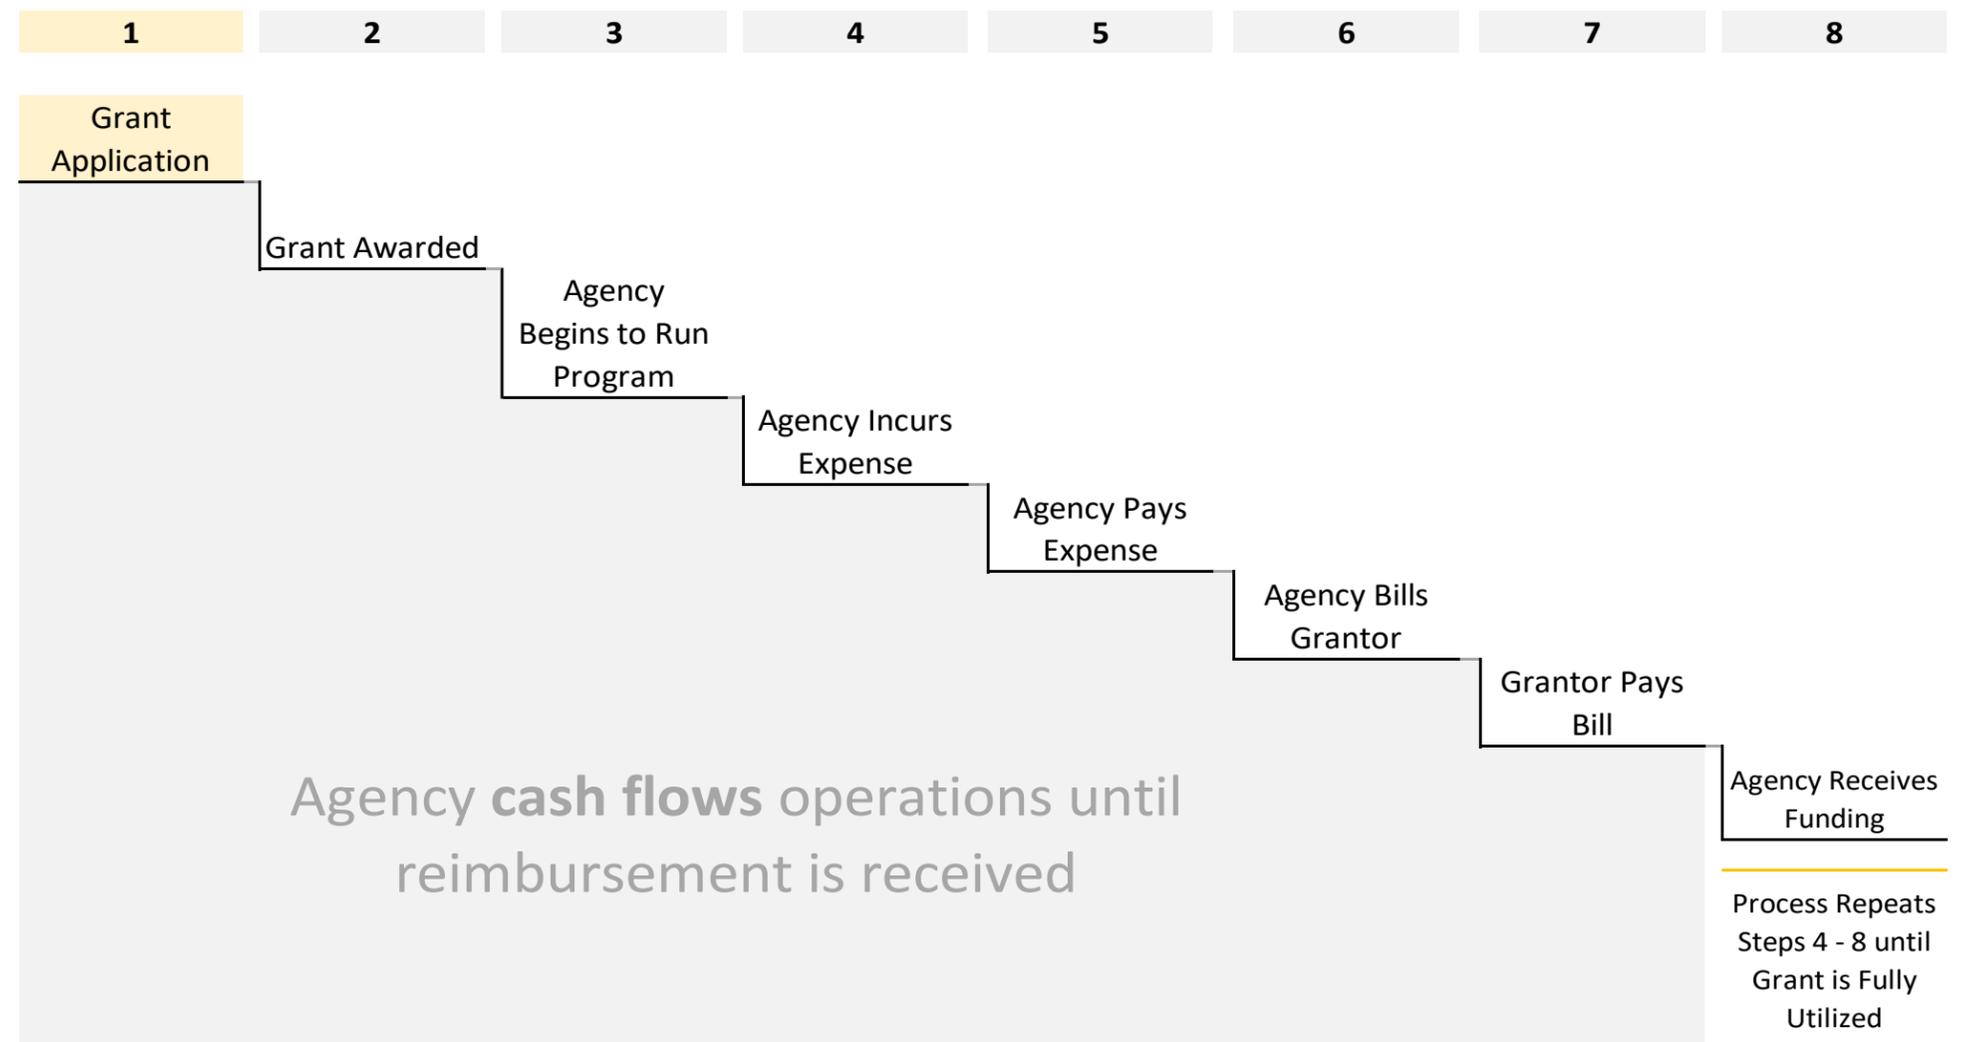

- Jurisdictional dues increases are tied to inflation and approved by the board.
- **Between 2017 and 2022, inflation reached over 20%.**
- Only one dues increase by approx. 10% was approved by the Board during this period (approved by the Board in 2022 and made effective during the 2023 fiscal year).
- **Inflationary forces have tamed significantly, but there is a possibility a dues increase may be brought back for Board consideration in 2025 or 2026 (if cumulative inflation reaches 10% from the last approval date in 2022).**

02 Business Cycle: Grant Reimbursement and Cash Flow

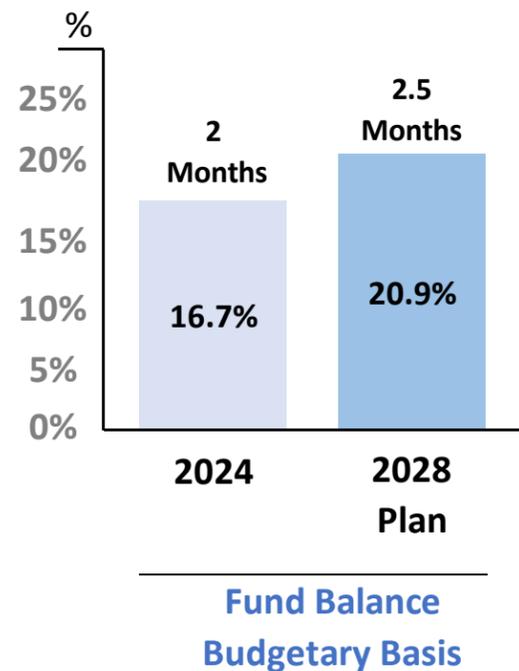

- ARC has a calendar year (Jan to Dec) budget cycle and fiscal year. Some grantors have different fiscal years.
- Annual Dues + Fund Balance provide liquidity for cash flow operations while we await grant reimbursements
- In many cases, these reimbursements may take over 60 days. Our team is consistently in touch with our main grantors

02 Business Cycle: Fund Balance, New Grants and Budgetary Pressures

Process of Building Fund Balance to accumulate 2.5 months of cash reserves over five years is underway. ARC reached 2 months in 2023

New grant opportunities with match requirements have been awarded to ARC. Agency also applying for new grants with match requirements. This could require an additional GF/ Cash pledge in 2025

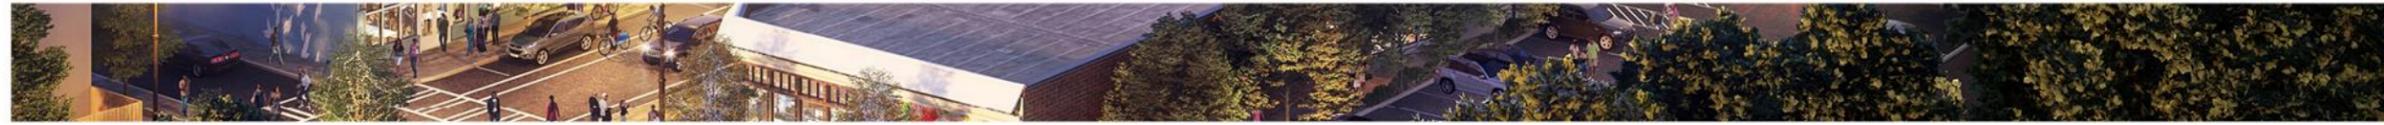

Grant Match Pledge Projection	
2024 Match Pledge From Annual Jurisdictional Dues	\$4.2M
Projected Additional Pledged from Awarded Grants	+ \$110K
Projected Additional Pledge from Applied Grants	+ \$340K
2025 Projected Match Pledge	= \$4.65M

Additional match commitments creates pressure on non-grant related programs (SOR, Link, RLI, Natural Resources)

Non-Grants Programs Pledge Projection	
2024 Other Programs Pledge Annual Jurisdictional Dues	\$2M
Projected Additional Pledged for Awarded Grants	- \$110K
Projected Additional Pledge for Applied Grants	- \$340K
2025 Projected Other Programs Pledge	= \$1.55M

Some Options for Consideration

- A.** Delay building fund balance reserve and use reserve to maintain operations
- B.** Do not pursue grant opportunities with grant requirements. Be more selective
- C.** Partner with jurisdictions to identify match requirements or non-grant program sponsorships
- D.** Raise fees, registrations and sponsorships for non-grant related programs

F.B. Fund Balance - Beginning	\$ 16.6	\$ 16.6
Fund Balance - Ending	\$ 17.4	\$ 16.3
	A	B
Change in Fund Balance Budget vs Forecast		▲ \$ 1.1 A-B

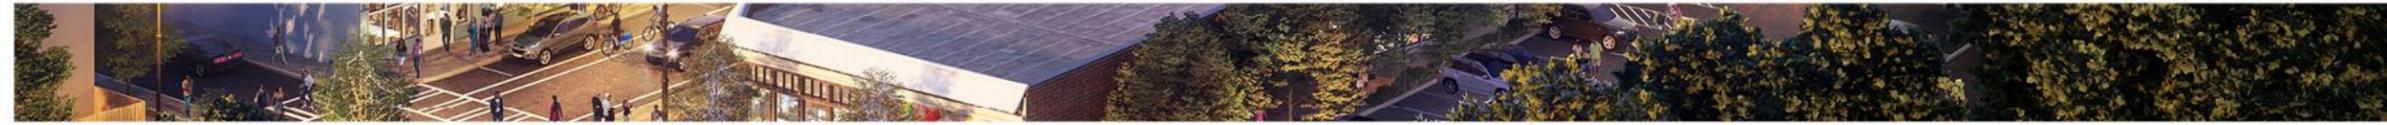

Note: Numbers may not add due to rounding

2023 Ending Fund Balance approx. \$1.1M better than budget. Revenue over expenses by approx. \$1M.

Improvement in the 2023 budget implementation rate. Change from approx. 79% implemented in 2022 vs 81% in 2023.

The agency's cash position remains strong, with approximately two (2) months of cash on hand to cover expenditures.

The agency is actively monitoring federal budget negotiations. We do not see the need to implement our cash management and prioritization plan at this time.

05 Performance Management

In 2024, ARC introduced a comprehensive performance management structure that aligns programmatic departmental level metrics and employee performance to organizational outcomes.

It Includes 3 key components

- Major Initiatives and Projects **(MIPs)**
- Key Performance Indicators **(KPIs)**
- Employee Evaluations **(EV)**

ARC Operations Update

Mike Alexander, Chief Operating Officer

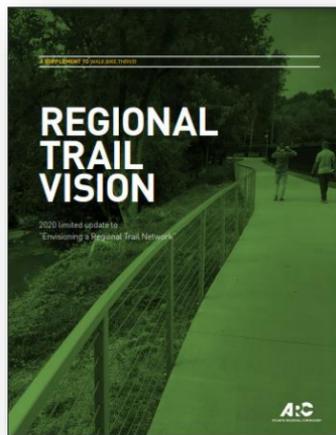

Atlanta Regional Commission

ONE **great** REGION

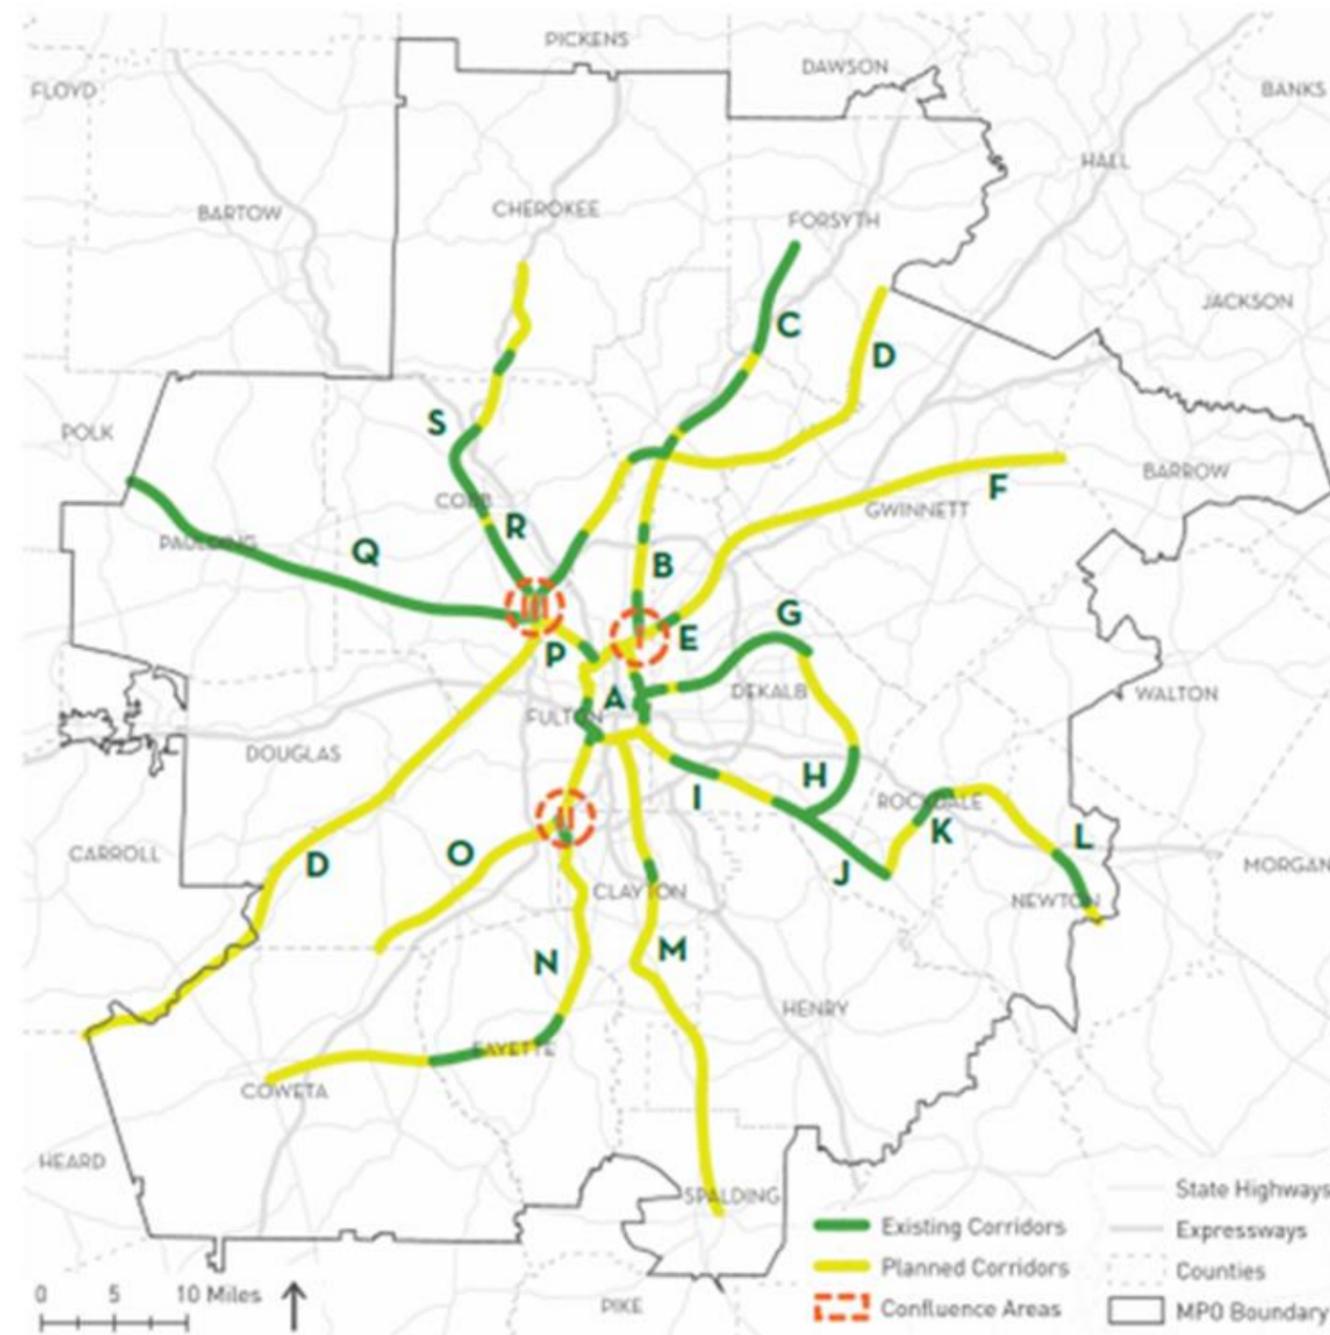

We have a Regional Trail Vision

**Feb 2017 Adopted
by ARC/TAQC**

The plan gauged that only 70 miles of trails were necessary to build a connected regional trail network and estimated the benefits of a regional trail network.

1. Focus investments in communities and activity centers
2. Address safety and equity issues
3. Work closely with transit providers
4. Pursue a strategy of relentless incrementalism
5. Lead the development of the regional trail system

Fostering Healthy, Safe Livable Communities throughout the Atlanta Region

- Create walking and bicycling options for everyone in every community
- Ensure safer and more accessible bicycling and walking in the region
- Tie walking and biking improvements to quality of life, economic competitiveness, and health
- Establish a vision for a Regional Trail Network
- Develop a strategy based on compounding growth and relentless incrementalism— i.e. where do we start and what do we do next?
- Use the region’s pivoting growth and fresh momentum so that in five years, Atlanta can market itself as one of the most walk-friendly and bike-friendly regions in the nation

What are our Priorities for Trails Implementation?

Federal Priorities for Workforce and Aging & Independence Services

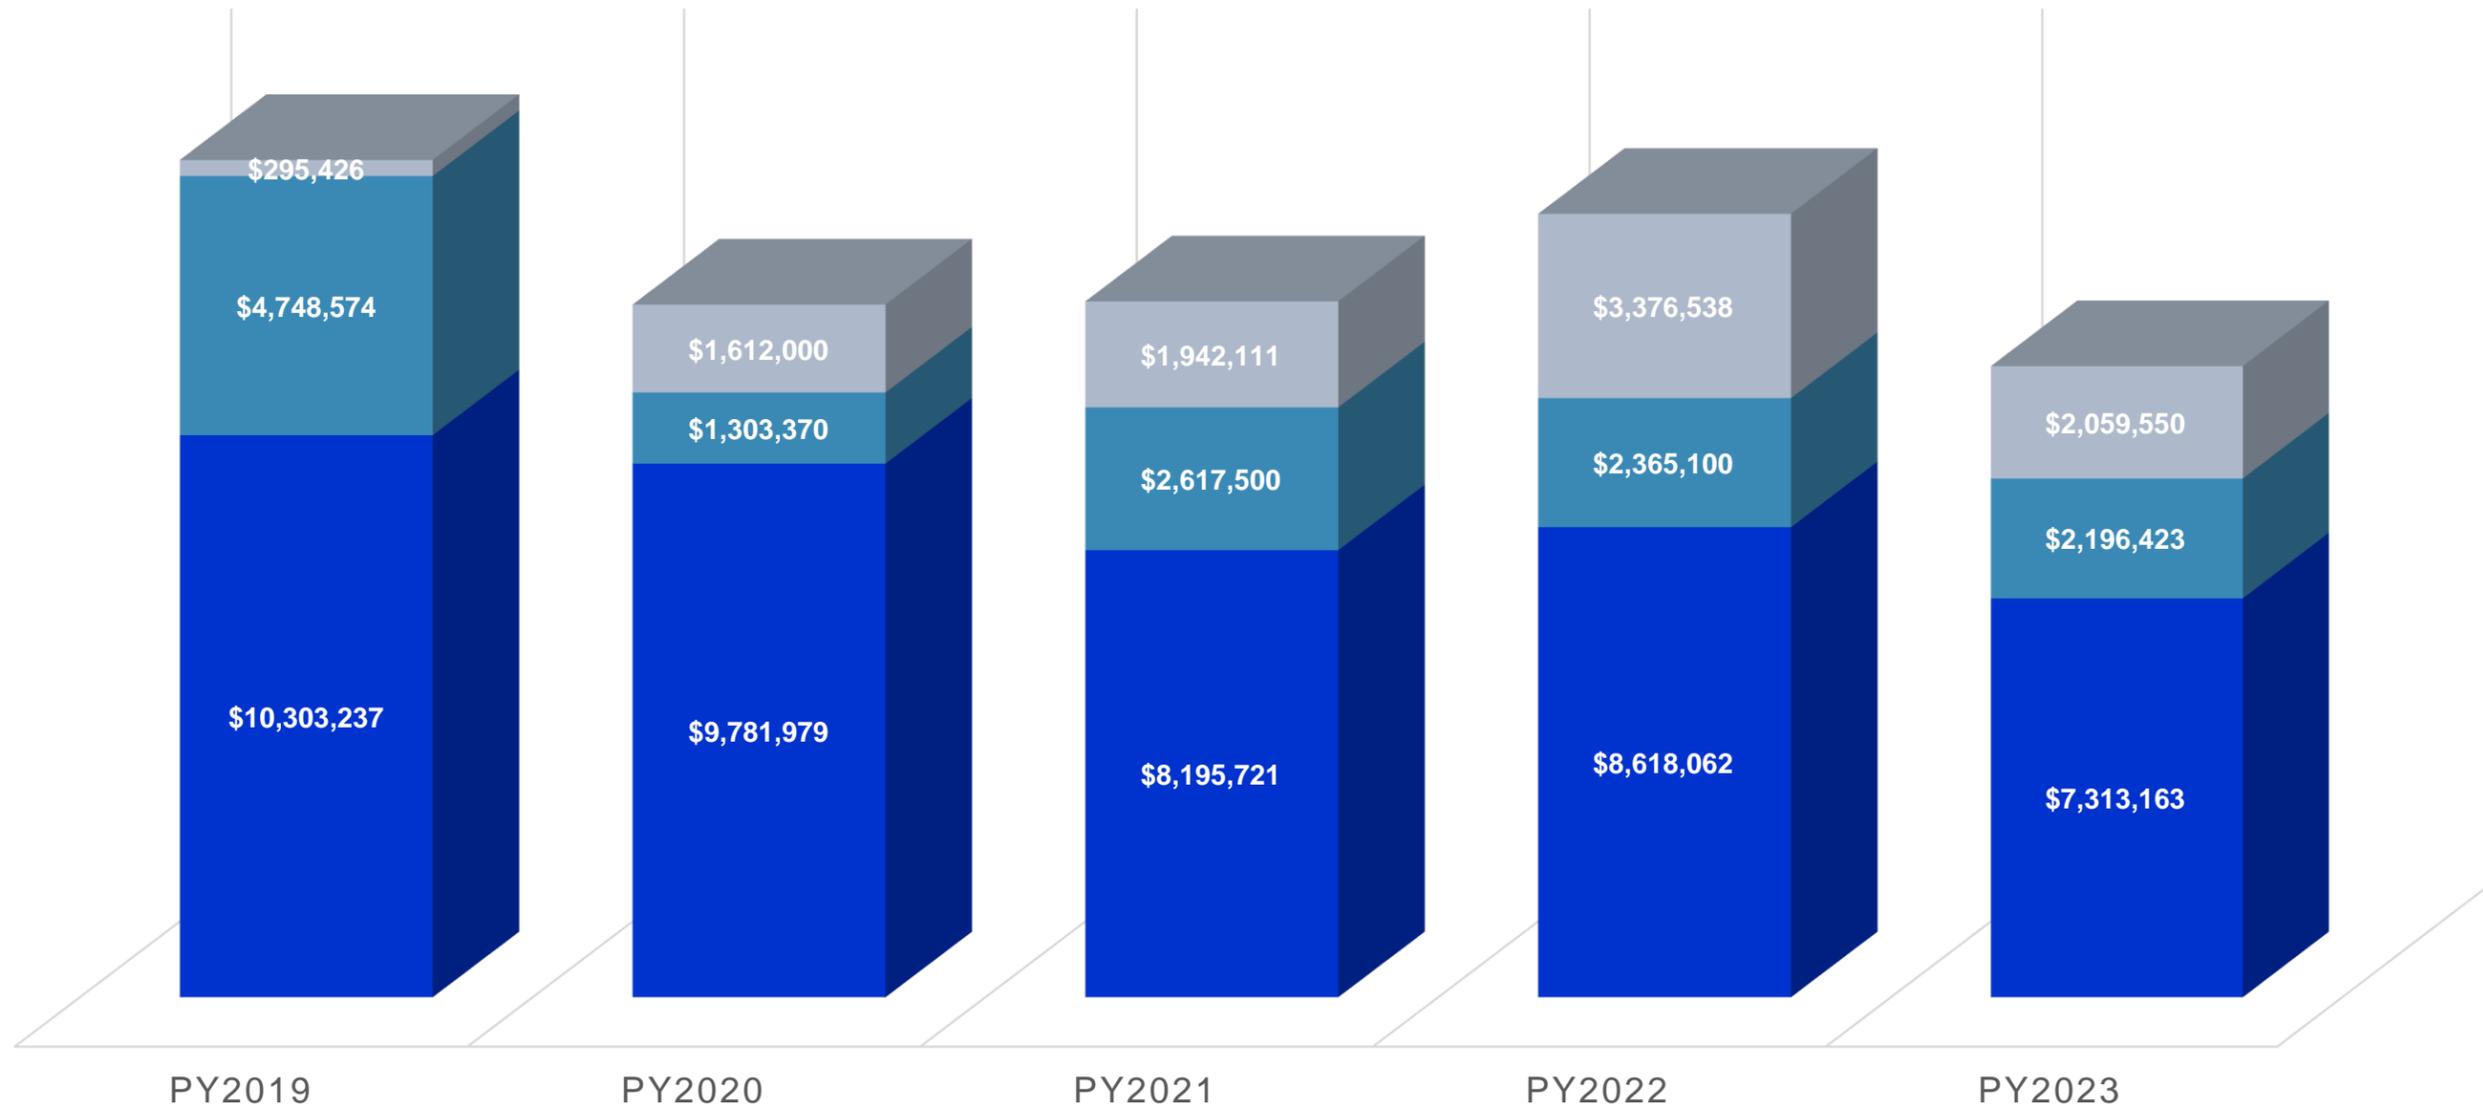

(3 min Presentation)

Workforce Funding has Declined in Real Dollars

ARWDB FUNDING TRENDS

■ WIOA Annual Allotment ■ Carry Over ■ Other Funds

-29% Since 2019

What is our Workforce Funding Strategy?

WIOA Reauthorization

- Signed into law on July 14, 2014, WIOA was scheduled to be renewed in 2020
- Proposed reauthorization **H.R. 6655**, A Stronger Workforce for America Act (ASWA)

Concerns with H.R. 6655

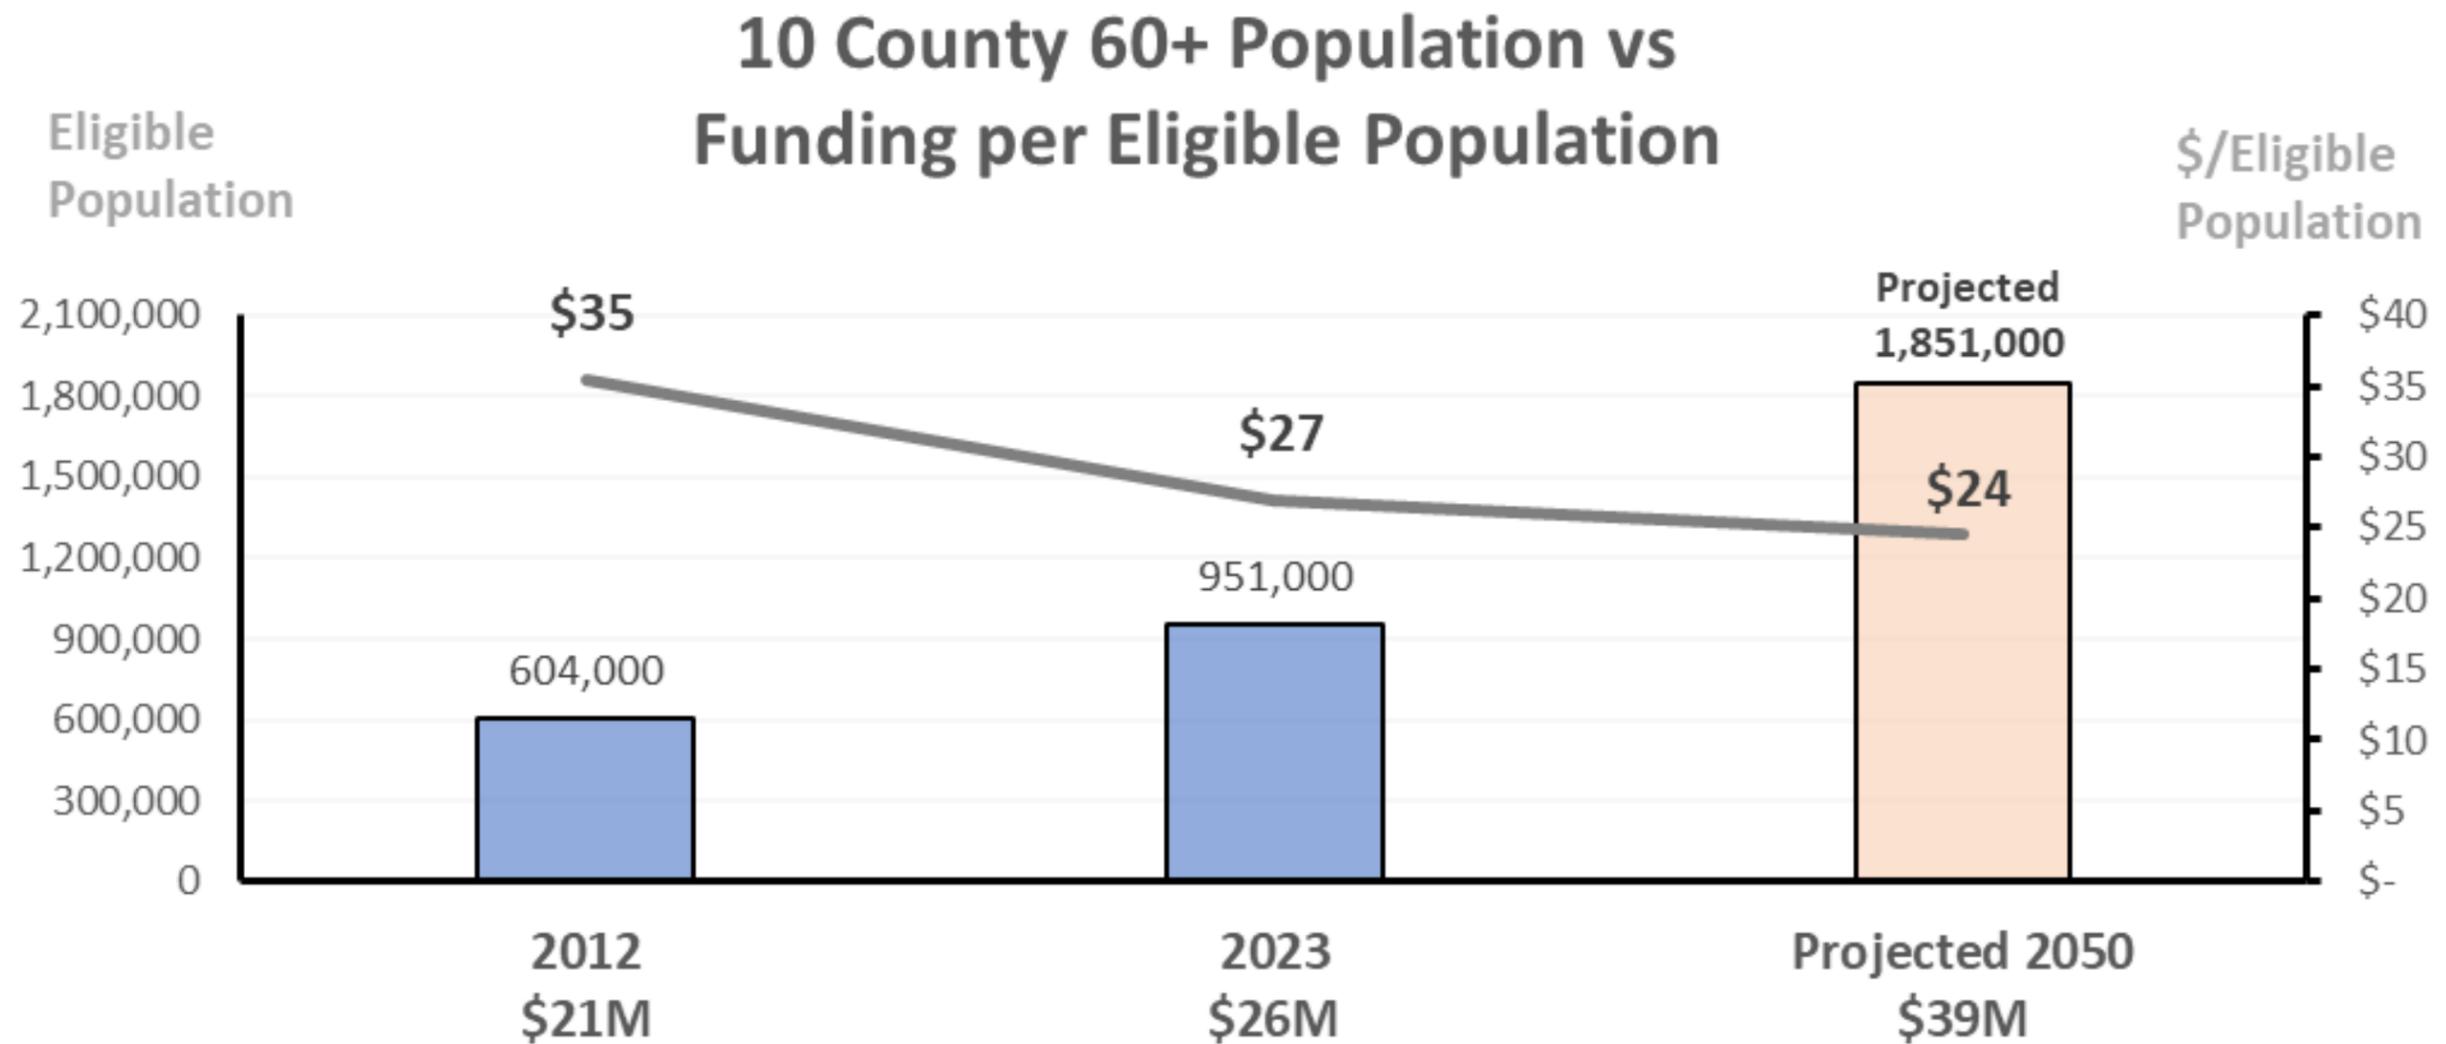

- Removes some of this flexibility that may result in negative impacts at the local level. In particular, the following two provisions to require minimum expenditure rates are of concern:
 - Require at least 50% of the adult and dislocated worker funding spent on upskilling workers through ITAs
 - Require at least 40% of youth funding must be dedicated to Work Experience

The Critical Need: **FUNDING**

- ASWA does not substantially address the funding distribution mechanism to align with the priorities in WIOA/ASWA;
- ***Nor does the bill increase funding levels for the workforce system in general.***
- Proposed new programs can takeaway funding for existing programs.

Aging & Independence Services Future Funding and over 60+ Population Growth

Funding: DAS – Multi-funded Grant Only

Projection Funding: Assumes a 2% annual growth rate in funding (historically around 2%).

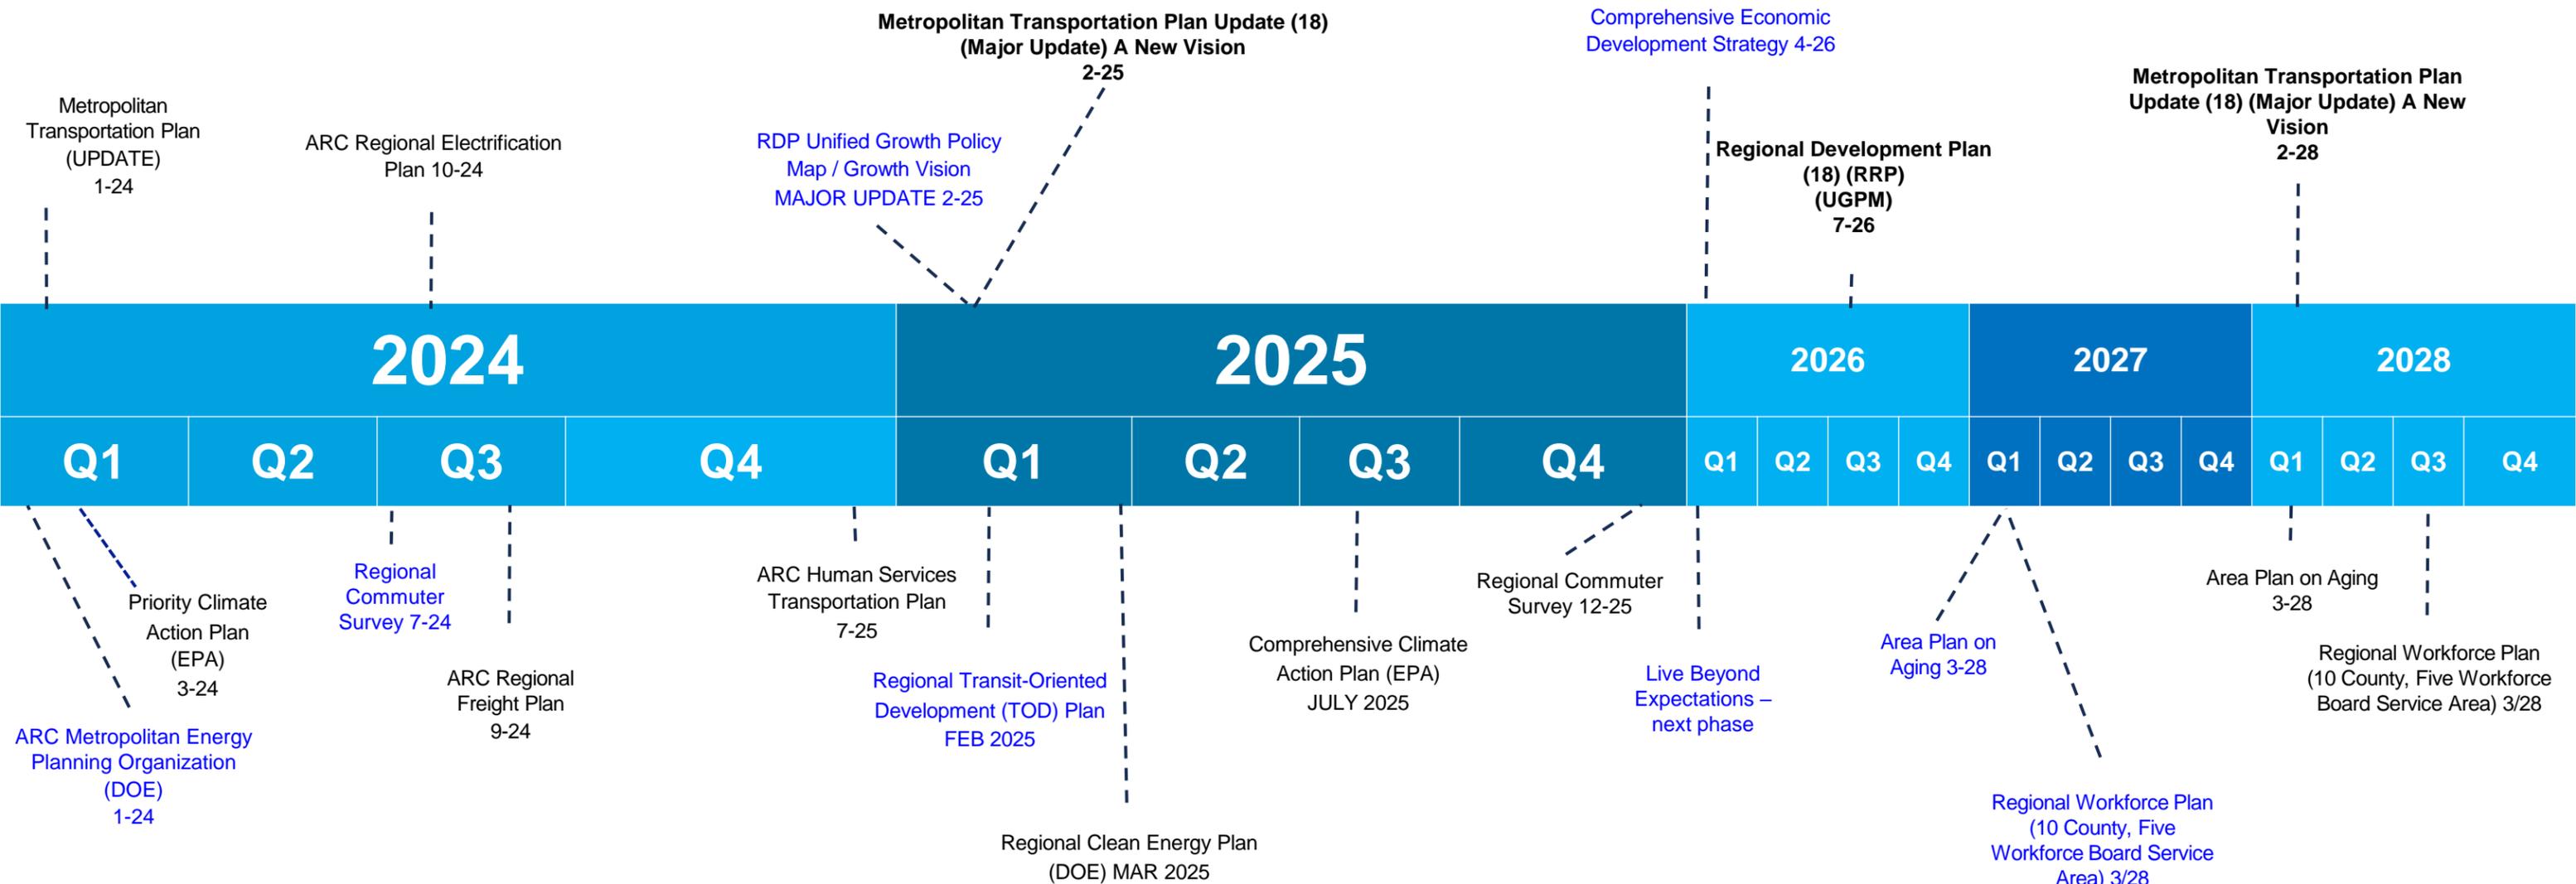

What is our Aging Resources Funding Strategy?

- Federal – Increase FY 25 Older Americans Act (OAA) appropriations
 - Highest priority: Title IIIB (Supportive Services)
- Federal – OAA Reauthorization
 - Significantly increase authorized funding levels
 - Highest priority: Title IIIB (Supportive Services).
 - Ensure that AAAs can partner with health care or other private funding to serve more older adults without having to seek State review and approval.
