Share the Care Program Impact

- “Walking with this new upright walker allows him to stand up straight and lets him rest his arms to take pressure off of his back and legs. Makes him walk much better and so much faster. We could never had afforded it without you and your organizations assistance. Thank you ever so much.” (Client has Parkinson’s)
- “This program was a life saver.” –Medication assistance
- “Oh my gosh it was a miracle! The audiologist was so nice and explained everything... Hearing is very important to him as he can't even enjoy listening to music... He even picked up the bass and played a little when he got home with them! Thanks for all you do!!!”
- “My dad absolutely enjoyed the bus trip to the eye doctor and is looking forward to his new glasses.”
- “I just have to thank you and everyone who makes this wonderful program available to people in need. I had no hope of getting all the work that I needed done on my teeth. Now I can chew food again! I'm so thankful for all that you have done. Please let everyone know what a valuable work they are involved with.”
- This program was amazing it improved my health and change me and my wife’s life tremendously...we benefited greatly from the Share the Care program. We could comment all day on how this program and all those involved was a gift from heaven. We love all of you. THANK YOU- THANK YOU- THANK YOU!!!”
