ADDITIONAL SERVICES / NEW & EXCITING

- Introduced Senior Centers Without Walls Model (Senior Virtual Village) and received national recognition from NACO (National Association of Cities and Counties) Award. This online program enabled seniors from anywhere to be engaged from the comfort of their homes.
- Launched a food insecurity program
- Re-purposed OWL Transportation to deliver congregate meals to the homes of our senior center members
- Created safe Drive-through and Outdoor programming at county senior centers and parks
- Partnered with the DeKalb County Board of Health/DeKalb EMS to implement the first COVID-19 Senior Homebound vaccination program
- Partnered with DeKalb County Board of Health to implement in-person COVID-19/Flu vaccination programs at senior centers
- Utilized OWL Transportation to transport seniors to vaccination sites
