

# Infrastructure Investment and Jobs Act (IIJA)

## Discussion on Recently Released Notices of Funding Opportunity (NOFO)

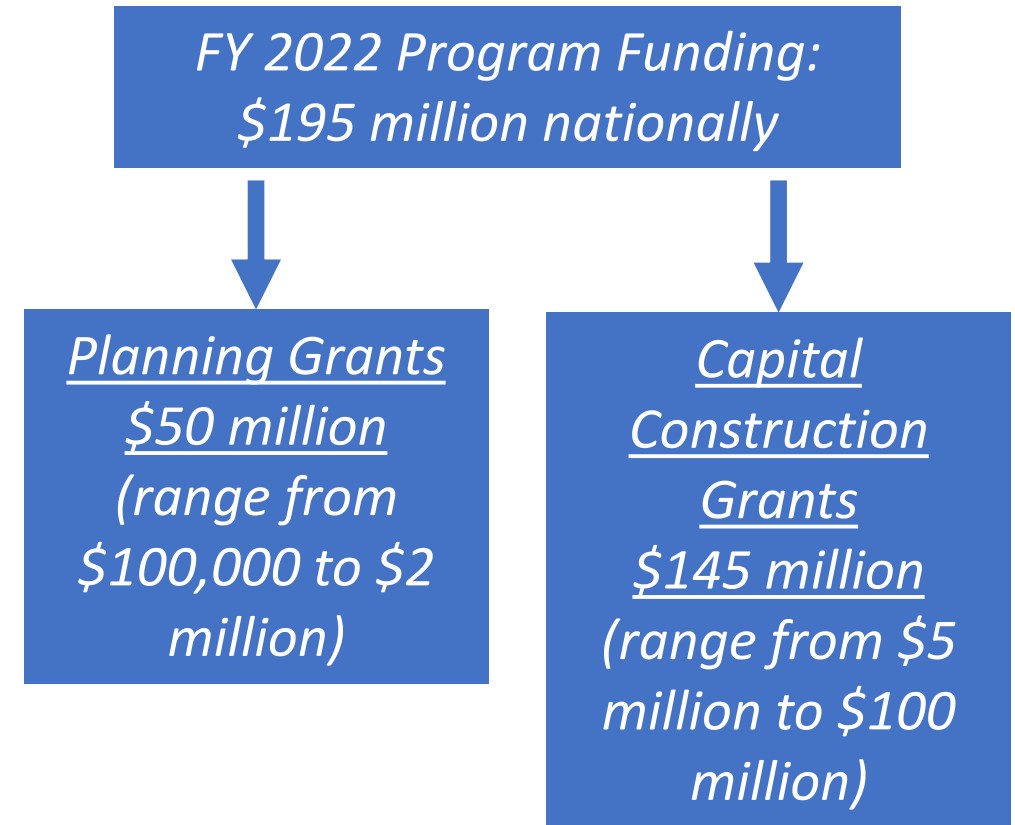

# Reconnecting Communities Pilot Program: \$195 million nationally in FY 2022 (discretionary funding through USDOT - Office of the Secretary)

<b>Program Purpose:</b>	Awarded on a competitive basis for projects that reconnect communities by removing, retrofitting, or mitigating highways or other transportation facilities that <b>create barriers to community connectivity, including to mobility, access, or economic development.</b>
<b>Eligibility:</b>	The project must address an “eligible facility” that creates a barrier to community connectivity, including barriers to mobility, access, or economic development. Eligible facilities include: <b>limited access highways</b> , viaducts, <b>any other principal arterial facilities</b> , and other facilities such as <b>transit lines, rail lines</b> , gas pipelines, and airports.
<b>Non-Federal Match Requirements:</b>	<u>Planning Grants</u> : 20% <u>Capital Construction</u> : 50% - but other federal sources can raise this to 80%
<b>Key Notes:</b>	Project evaluation includes four “merit criteria:” 1) Equity, Environmental Justice, and Community Engagement, 2) Mobility and Community Connectivity, 3) Community-based Stewardship, Management, and Partnerships, and 4) Equitable Development and Shared Prosperity

**Reconnecting Communities Pilot  
Program Applications must be  
submitted by 11:59 PM EDT on  
Thursday, October 13, 2022**

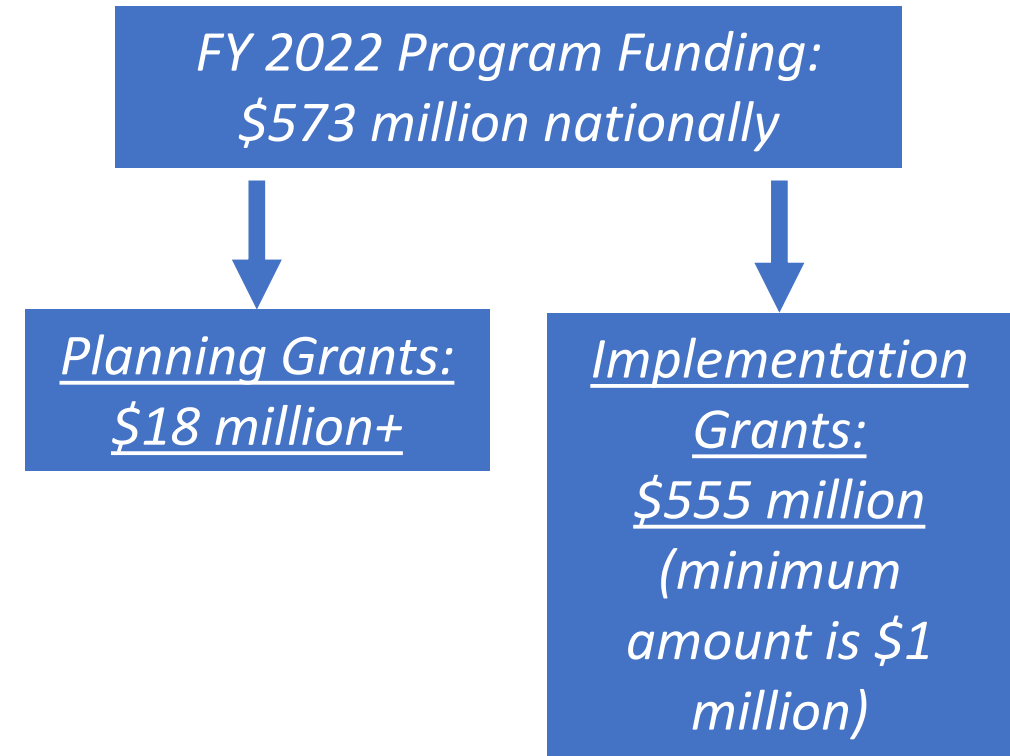

# Railroad Crossing Elimination Program: \$573 million nationally (discretionary funding through USDOT - Federal Railroad Administration)

<b>Program Purpose:</b>	Awarded on a competitive basis for projects that <b>create grade separations – such as overpasses and underpasses – as well as closures, track relocations, and improvement or installation of warning devices at crossings if related to a separation or relocation project.</b>
<b>Eligibility:</b>	Grade separation or closure, including through the use of a bridge, embankment, tunnel, or combination thereof; track relocation; the improvement or installation of protective devices, signals, signs, or other measures the improve safety, provided that such activities are related to a separation or relocation project
<b>Non-Federal Match Requirements:</b>	<u>Planning Grants</u> : 20% <u>Implementation Grants</u> : 20%
<b>Key Notes:</b>	Project proposals are evaluated based on their potential to improve safety by eliminating crossings or improving existing highway-rail grade crossings; increase access to emergency services; reduce emissions; provide economic benefit; and hire locally, among other possible community enhancements.
