

THE ATLANTA REGION'S PLAN

Leading Metro Atlanta Into The Future

Key Upcoming Planning Activities

TAQC

July 13, 2022

Special Studies

- Regional Freight Plan - Will be coordinated with GDOT and other stakeholders. Kick-off activities in August.
- Regional Electrification Plan - Critical study that will provide guidance to expansion of electrification infrastructure in the region.
- Human Services Transportation Plan - Major update that will address human service-related needs. Note: Federally-required plan update.

IIJA Support

- IIJA Strategic Planning Consultant - Will assist in helping ARC and local governments in taking advantage of opportunities from the IIJA.
- IIJA Resource Page- Continue maintenance and expansion of on-line capabilities of Funding Opportunity Resource Database - <https://atlantaregional.org/infrastructure-investment-jobs-act-resource-database/>.
- Continued Education and Outreach - Expand webinar outreach and direct coordination with communities.

Regional Transportation Plan (RTP)

- Comprehensive Economic Development Strategy (CEDs) and Agency-wide Policy Framework
- Population and Employment Forecast Update
- Education and Outreach
