**SPOTLIGHT**

*"MARC is a wonderful, engaging and eye-opening program that brings together high school students from all around the metro Atlanta region to learn about the numerous aspects of regional planning."*

Sathvika N.  
River Ridge High School

MODEL ATLANTA

## Calling Me

Are you concerned about the loss of greenspace or the needs of communities who are working to bring about change?

If so, Model Atlanta Regional Council (MARC) is looking for high school graders who are interested in regional planning.
