

Adoption of the 2022-2025 Title VI Plan Update

To be submitted to the Federal Transit Authority upon adoption

Title VI Policy Statement

- It is the policy of the Atlanta Regional Commission that no person shall, on the grounds of race, color, national origin, sex, disability, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any operation of the Atlanta Regional Commission as provided by Title VI of the Civil Rights Act of 1964 and related statutes.

Plan Requirements

- Provide notice to the public, including complaint procedures
- List complaints
- Have a Public Participation Plan including a Limited English Proficiency (LEP) Plan
- Demographics of the region
- Description of the procedure where the mobility needs of minority populations are identified and considered in the transportation planning process

2022 Updates

- Updated Title VI Complaints received within the last three year
 - 2 complaints received, both dismissed due to lack of jurisdiction/outside of ARC operations
- Updated information on engagement activities in support of Title VI, LEP, and Environmental Justice from 2019-2022, including specific public involvement in Transportation Planning
- Updated the Limited English Proficiency Demographic profile of the area
- Updated links and statutory references
- Updated ARC Board Demographics and agency titles
