Adjourn

ARC OPEN DATA & MAPPING HUB

Explore open data, maps, data tools and visualizations across platforms at [arcopendata.com](#) from ARC and local governments.

ARC hosts Atlanta Region Geospatial Community meetings quarterly at the ARC Conference Center at Peachtree Center. ARGC is a geospatial professional group primarily focused on local government in the Atlanta Region. The purpose of the group is to highlight and support local government GIS initiatives, foster regional GIS collaboration and support open data.

You are receiving this email because you are a member of the ARGC group.
