

	Project ID	Description	Construction Year	Status				Notes for Proposed 2025 LCI Study Application
				Complete	Underway	Not Started	Not Relevant	
2009 Vine City/Washington Park LCI Actions								
5-Year Implementation Plan	T-1	Advance the Beltline's multi-use trail component.	2024	X				Adjacent section (Beltline Westside Trail 4) opened in 2024
5-Year Implementation Plan	T-2	Restripe Martin Luther King, Jr. Drive to include bicycle lanes.	2020	X				2-way Cycle track spans from Northside Drive to James P. Brawley Drive
5-Year Implementation Plan	T-3	Upgrade Martin Luther King, Jr. Drive pedestrian facilities	2020	X				
5-Year Implementation Plan	T-4	Joseph E. Lowery Boulevard milling and repaving			X			J E Lowery Boulevard Complete Street (ATLDOT Project #1009)
5-Year Implementation Plan	T-5	Joseph E. Lowery Boulevard restriping for bicycle lanes				X		
5-Year Implementation Plan	T-6	Upgrade Joseph E. Lowery Boulevard pedestrian facilities.			X			J E Lowery Boulevard Complete Street (ATLDOT Project #1009) in the Proposed 2025 LCI Study and considered part of scope.
5-Year Implementation Plan	T-7	Joseph E. Boone Boulevard milling and repaving	2020	X			X	J E Lowery Boulevard Complete Street (ATLDOT Project #1009) in the Proposed 2025 LCI Study area but not considered part of scope.
5-Year Implementation Plan	T-8	Joseph E. Boone Boulevard restriping for bicycle lanes	2020	X			X	J E Lowery Boulevard Complete Street (ATLDOT Project #1009) in the Proposed 2025 LCI Study area but not considered part of scope.
5-Year Implementation Plan	T-9	Restripe James P. Brawley Drive from Carter Street north to Joseph E. Boone Boulevard to include bicycle lanes.					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-10	Vine City Promenade Phase I (Vine City station to Vine Street)					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-11	Vine City Promenade Phase II (Vine St to J E Lowery Blvd)					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-12	Convert Rhodes Street to a "Complete Street" and one-way eastbound operation					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-13	Upgrade Sunset Avenue pedestrian facilities.					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-14	Neighborhood sidewalk repair/upgrades: Phase I				X		
5-Year Implementation Plan	T-15	Neighborhood sidewalk repair/upgrades: Phase II				X		
5-Year Implementation Plan	T-16	Install an enhanced pedestrian crossing on Northside Drive.	2018	X			X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-17	Reconstruct the intersection of Joseph E. Lowery Boulevard and Mayson Turner Road			X			Ongoing and within the proposed 2025 LCI Study area.
5-Year Implementation Plan	Y-18	Improve safety at the intersection of Marie Avenue and Washington Heights Terrace					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-19	Abandon Rigdon Place if needed for redevelopment.					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-20	Construct the GWC Parking decks.				X		Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-21	Construct private parking decks.				X		
5-Year Implementation Plan	T-22	Construct new streets with private development.			X			
5-Year Implementation Plan	T-23	Conduct a signal warrant study on Northside Drive.					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-24	Install ORH-required signals on Northside Drive.					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-25	Implement east-west bus service along Joseph E. Boone Boulevard and Ivan Allen, Jr. Boulevard to Civic Center MARTA Station.			X			Proposed new bus service through MARTA's NextGen Bus Network
5-Year Implementation Plan	T-26	Consolidate bus stops to improve performance					X	
5-Year Implementation Plan	T-27	Establish a taxi stand at the Westside Village Public.					X	Outside of Proposed 2025 Ashby Station Study Area
5-Year Implementation Plan	T-28	Install new bus shelters				X		
5-Year Implementation Plan	T-29	Repair Ashby MARTA Station to prevent flooding and physically upgrade the station.				X		
5-Year Implementation Plan	T-30	Pursue LCI Supplemental Study Funds.				X		
Long Term Implementation Plan	T-31	Pedestrian upgrades to Northside Drive					X	Outside of Proposed 2025 Ashby Station Study Area
Long Term Implementation Plan	T-32	J.E. Boone Blvd major pedestrian improvements (Northside to Lowery)					X	Outside of Proposed 2025 Ashby Station Study Area
Long Term Implementation Plan	T-33	Intersection capacity improvements at Joseph E. Lowery Boulevard and Joseph E. Boone Boulevard.					X	Outside of Proposed 2025 Ashby Station Study Area
Long Term Implementation Plan	T-34	Advance the Beltline's transit component.					X	Outside of Proposed 2025 Ashby Station Study Area
Long Term Implementation Plan	T-35	Evaluate need for future Beltline parking					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-1	James P. Brawley Drive sidewalks, street lights, street trees, and bike lanes					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-2	MLK Jr. Dr. and James P. Brawley Dr. pedestrian crossing improvements					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-3	MLK Jr. Dr. from J.E. Lowery Blvd. to Northside Dr. sidewalk improvements		X				Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-4	MLK streetscape improvements from J.E. Lowery Blvd to Northside Dr.					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-5	Martin Luther King Jr. Drive streetscape/median improvements					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-6	Joseph E. Boone Boulevard lane reconfiguration, curb/gutter upgrade from Northside Drive to Joseph E. Lowery Blvd.					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-7	Joseph E. Boone Boulevard lane reconfiguration, curb/gutter upgrade from Northside Drive to Joseph E. Lowery Blvd.					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-8	Joseph E. Boone Boulevard and Joseph E. Lowery Boulevard intersection reconfiguration					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-9	Joseph E. Boone Boulevard sidewalk widening/utility pole relocation					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-10	Vine City - Northside Dr. streetscape improvements and median					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-11	Walnut Street streetscape improvements					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-12	Carter Street PATH improvements					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-13	Sunset Avenue street lights and landscaping					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-14	Magnolia Street streetscape improvements and bike lanes					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-15	Crosswalks at MARTA & Northside Dr, Magnolia & Vine, Lowery & Simpson, Simpson & MLK, Northside Dr. & MLK					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-16	English Avenue/Vine City local traffic operations evaluation					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-17	Vine City sidewalk repair/construction					X	Outside of Proposed 2025 Ashby Station Study Area
Existing Study Area Currently Planned Projects	PP-18	Vine City street improvements					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-1	Complete projects from the 2004 redevelopment plan that have not been implemented or updated by this study			X			Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-2	Redevelop the Magnolia Street at Vine Street retail node into commercial land and above-shop housing.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-3	Establish a senior citizen housing village along DeSoto Street east of the Washington Park YMCA					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-4	Create a transit-oriented development (TOD) around the Vine City MARTA Station.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-5	Develop senior citizen housing on Elm Street.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-6	Develop a hotel, conference, and public parking facility at the rear of 560 Martin Luther King, Jr. Drive. (O-6)					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-7	Build commercial and mixed-use buildings on auto-oriented commercial land at Joseph E. Lowery Boulevard and Martin Luther King, Jr. Drive		X				
Other Projects	O-8	Convert the Wachendoff Estate into a bed and breakfast featuring meeting space and a small museum.		X				
Other Projects	O-9	Amend the City's Future Land Use maps to reflect the plan's vision and recommendations.		X				
Other Projects	O-10	Encourage developer-led initiatives to rezone key properties to reflect the plan's vision and recommendations.		X				
Other Projects	O-11	Organize an area business association.		X				
Other Projects	O-12	Establish a business recruitment/retention committee.		X				
Other Projects	O-13	Market the study area to new businesses and residents.		X				
Other Projects	O-14	Establish a branding program for neighborhood businesses		X				
Other Projects	O-15	Market catalytic development sites to prospective developers		X				
Other Projects	O-16	Develop business incubator space		X				
Other Projects	O-17	Promote awareness of existing small business programs		X				
Other Projects	O-18	Coordinate with non-profits to acquire and rehabilitate foreclosed properties		X				
Other Projects	O-19	Work with the City of Atlanta Bureau of Housing to purchase and rehabilitate foreclosed properties		X				
Other Projects	O-20	Consider establishing a land bank to purchase, rehabilitate, and resell foreclosed and vacant properties.		X				
Other Projects	O-21	Use community gardens for economic development		X				
Other Projects	O-22	Identify vacant properties for reuse as community gardens		X				
Other Projects	O-23	Organize a farmers market during growing season		X				
Other Projects	O-24	Establish a series of historic walking tours		X				
Other Projects	O-25	Install historic markers at significant sites		X				Example from 2025 is the marker at recent Citizen's Trust Bank in the proposed 2025 LCI Study Area
Other Projects	O-26	Plant trees throughout the study area.		X				
Other Projects	O-27	Expand Vine City Park to the north.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-28	Create a public plaza and gateway at the northwest corner of Northside Drive and Martin Luther King, Jr. Drive.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-29	Establish community gardens on vacant lots and as shown on the Framework Plan.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-30	Construct a new greenspace just south of Joseph E. Boone Boulevard on the site of the 2002 flood.		X			X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-31	Construct a new playground or community garden in Charles Harper Park.				X		Possibly within Proposed 2025 Ashby Station Study Scope
Other Projects	O-32	Restore the statue of Charles Harper				X		Possibly within Proposed 2025 Ashby Station Study Scope
Other Projects	O-33	Erect a memorial to Booker T. Washington in Washington Park.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-34	Acquire land for the Vine City Promenade and adjacent community garden.					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-35	Informational kiosks near Vine City and Ashby stations					X	Possibly within Proposed 2025 Ashby Station Study Scope
Other Projects	O-36	Retail kiosks at Vine City and Ashby stations					X	Possibly within Proposed 2025 Ashby Station Study Scope
Other Projects	O-37	Increase lighting, organized activities, and police patrols at existing parks.				X		Possibly within Proposed 2025 Ashby Station Study Scope
Other Projects	O-38	Increase police presence to reduce crime.					X	Outside of Proposed 2025 Ashby Station Study Scope
Other Projects	O-39	Establish a neighborhood watch program					X	Outside of Proposed 2025 Ashby Station Study Scope
Other Projects	O-40	Provide youth programming at Washington Park and/or J.F. Kennedy Park					X	Outside of Proposed 2025 Ashby Station Study Area
Other Projects	O-41	Develop a central community center as a gathering space and potential museum.				X		Possibly within Proposed 2025 Ashby Station Study Scope
Other Projects	O-42	Improve lighting on neighborhood streets.					X	Outside of Proposed 2025 Ashby Station Study Scope
Other Projects	O-43	As density increases, study the feasibility and need for a new fire station.					X	Outside of Proposed 2025 Ashby Station Study Scope
Other Projects	O-44	Rehabilitate aging water and sewer infrastructure where necessary.					X	Outside of Proposed 2025 Ashby Station Study Scope
