TIP Solicitation Guidance on Unique IDs for Applications

Existing TIP Projects

For applications which seek supplemental funding for existing TIP projects, use the existing ARCID for your application.

Example:
- AR-400

County ID Generation

For county jurisdiction applicants and county-specific transit operators, use the two-digit county code from the table below plus a unique two-digit number.

Examples:
- DeKalb County (first project submitted):   "DK-01"
- Henry County (fourth project submitted):   "HE-04"

County/Organization	Abbreviation
Barrow	BA
Carroll	CA
Cherokee	CH
Clayton	CL
Cobb	CO
Coweta	CW
Dawson	DW
DeKalb	DK
Douglas	DO
Fayette	FA
Forsyth	FT
Fulton	FL
Gwinnett	GW
Henry	HE
Newton	NE
Paulding	PA
Rockdale	RO
Spalding	SP
Walton	WA

City ID Generation

For city and municipal applicants, use the full city name as a prefix, plus a unique two-digit number corresponding with the number of applications submitted by your organization.

Examples:
- City of Decatur (first project submitted)   "Decatur-01"
- City of Peachtree Corners (third project submitted)   "Peachtree Corners-03"
- Peachtree City (first project submitted)   "Peachtree City-01"

State and Regional Agency ID Generation

For state and regional agencies, use the appropriate code in the table below, plus a unique two-digit number corresponding with the number of applications submitted by your organization.

Organization	Abbreviation
Georgia Department of Transportation	GDOT
Georgia Regional Transportation Authority / State Road Tollway Authority	GRTA-SRTA
Metropolitan Atlanta Rapid Transit Authority	MARTA

Examples:
- State Road Tollway Authority (first project submitted)   "SRTA-01"
